Breaking Up At Totality A Rhetoric Of Laughter Rhetorical Philosophy And Theory

Michael Carter

Breaking Up At Totality A Rhetoric Of Laughter Rhetorical Philosophy And Theory:

Breaking Up (at) Totality Debra Diane Davis, 2000 Rhetoric and composition theory has shown a renewed interest in sophistic countertraditions as seen in the work of such postphilosophers as Jacques Derrida Michel Foucault and Hélène Cixous and of such rhetoricians as Susan Jarratt and Steven Mailloux As Debra Diane Davis traces today's theoretical interest to those countertraditions she also sets her sights beyond them Davis takes a third sophistic approach one that focuses on the play of language that perpetually disrupts the either/or binary construction of dialectic She concentrates on the nonsequential third excess that overflows language's dichotomies In this work laughter operates as a trope for disruption or breaking up which is from Davis's perspective a joyfully destructive shattering of our confining conceptual frameworks

Rhetoric on the Margins of Modernity C. L. Hobbs, 2002 **Gorgias and the New Sophistic Rhetoric** Bruce McComiskey, 2002-01-31 In *Gorgias and the New Sophistic Rhetoric* Bruce McComiskey achieves three rhetorical goals he treats a single sophist's rhetorical techné in the context of the intellectual upheavals of fifth century bce Greece thus avoiding the problem of generalizing about a disparate group of individuals he argues that we must abandon Platonic assumptions regarding the sophists in general and Gorgias in particular opting instead for a holistic reading of the Gorgianic fragments and he reexamines the practice of appropriating sophistic doctrines particularly those of Gorgias in light of the new interpretation of Gorgianic rhetoric offered in this book In the first two chapters McComiskey deals with a misconception based on selective and Platonic readings of the extant fragments that Gorgias's rhetorical techné involves the deceptive practice of manipulating public opinion This popular and ultimately misleading interpretation of Gorgianic doctrines has been the basis for many neosophistic appropriations The final three chapters deal with the nature and scope of neosophistic rhetoric in light of the non-Platonic and holistic interpretation of Gorgianic rhetoric McComiskey postulates in his opening chapters He concludes by examining the future of communication studies to discover what roles neosophistic doctrines might play in the twenty-first century McComiskey also provides a selective bibliography of scholarship on sophistic rhetoric and philosophy in English since 1900

Rhetoric as Philosophy Ernesto Grassi, 2000-12-31 By going back to the Italian humanist tradition and aspects of earlier Greek and Latin thought Ernesto Grassi develops a conception of rhetoric as the basis of philosophy Grassi explores the sense in which the first principles of rational thought come from the metaphorical power of the word He finds the basis for his conception in the last great thinker of the Italian humanist tradition Giambattista Vico 1668-1744 He concentrates on Vico's understanding of imagination and the sense of human ingenuity contained in metaphor For Grassi rhetorical activity is the essence and inner life of thought when connected to the metaphorical power of the word Originally published in English in 1980 *Rhetoric as Philosophy* has been out of print for some time In his foreword to this reprint edition Burke scholar Timothy W. Crusius laments the lack of concentrated attention to Grassi because what he had to say about rhetoric is at least as significant as for example what Kenneth Burke taught us Michael Carter, 2003

Unending Conversations Greig E. Henderson, David Cratis Williams, 2001 Previously unpublished writings by and about Kenneth Burke plus essays by such Burkean luminaries as Wayne C Booth William H Rueckert Robert Wess Thomas Carmichael and Michael Feehan make the publication of *Unending Conversations* a significant event in the field of Burke studies and in the wider field of literary criticism and theory Editors Greig Henderson and David Cratis Williams have divided their material into three parts Dialectics of Expression Communication and Transcendence Criticism Symbolicity and Tropology and Transcendence and the Theological Motive In the first part Williams's textual introduction and Rueckert's essay analyze the genesis and composition of Burke's *A Symbolic of Motives and Poetics Dramatistically Considered* Henderson opens part two by showing how these two essays concerns with literary form hearken back to Burke's first book of criticism *Counter Statement* Thomas Carmichael discusses Burke's relationship to thinkers such as Paul de Man Jacques Derrida Stanley Fish Fredric Jameson Jean Fran ois Lyotard and Richard Rorty Wess analyzes the relation between Burke's dramatistic pentad of act agent scene agency and purpose and his four master tropes metaphor metonymy synecdoche and irony In the third part Booth mines his unpublished correspondence with Burke to demonstrate that Burke is a coy theologian Michael Feehan discusses Burke's revelation in a 1983 interview that rather than rebounding from a naive kind of Marxism in *Permanence and Change* he was rebounding from what he had learned as a Christian Scientist

The Ethical Fantasy of Rhetorical Theory Ira Allen, 2018-07-10 Despite its centrality to its field there is no consensus regarding what rhetorical theory is and why it matters *The Ethical Fantasy of Rhetorical Theory* presents a critical examination of rhetorical theory throughout history in order to develop a unifying vision for the field Demonstrating that theorists have always been skeptical of yet committed to truth however fantastic Ira Allen develops rigorous notions of truth and of a troubled freedom that spring from rhetoric's depths In a sweeping analysis from the sophists Aristotle and Cicero through Kenneth Burke Cha m Perelman and Lucie Olbrechts Tyceta and contemporary scholars in English communication and rhetoric's other disciplinary homes Allen offers a novel definition of rhetorical theory as the self consciously ethical study of how humans and other symbolic animals negotiate constraints

Reinventing (with) Theory in Rhetoric and Writing Studies Andrea Alden, Kendall Gerdes, Judy Holiday, Ryan Skinnell, 2019-10-21 *Reinventing with Theory in Rhetoric and Writing Studies* collects original scholarship that takes up and extends the practices of inventive theorizing that characterize Sharon Crowley's body of work Including sixteen chapters by established and emerging scholars and an interview with Crowley the book shows that doing theory is a contingent and continual rhetorical process that is indispensable for understanding situations and their potential significance and for discovering the available means of persuasion For Crowley theory is a basic building block of rhetoric produced by and within specific times and locations as a means of opening other ways of believing or acting Doing theory in this sense is the practice of surveying the common sense of the community doxa and discovering the available means of persuasion invention The ultimate goal of doing theory is not to prescribe certain actions but to ascertain what options exist

for rhetors to see the world differently to discover new possibilities for thought and action and thereby to effect change in the world The scholarship collected in Reinventing with Theory in Rhetoric and Writing Studies takes Crowley s notion of theory as an invitation to develop new avenues for believing and acting By reinventing the understanding of theory and its role in the field this collection makes an important contribution to scholarship in rhetorical studies and writing studies It will be valuable to scholars teachers and students interested in diverse theoretical directions in rhetoric and writing studies as well as in race gender and disability theories religious rhetorics digital rhetoric and the history of rhetoric Publication supported in part by the Texas Tech University Humanities Center Contributors Jason Barrett Fox Geoffrey Clegg Kirsti Cole Joshua Daniel Wariya Diane Davis Rebecca Disrud Bre Garrett Catherine C Gouge Debra Hawhee Matthew Heard Joshua C Hilst David G Holmes Bruce Horner William B Lalicker Jennifer Lin LeMesurier James C McDonald Timothy Oleksiak Dawn Penich Thacker J Blake Scott Victor J Vitanza Susan Wyche Writing Against the Curriculum Randi Gray Kristensen, Ryan M. Claycomb, 2010-01-01 Writing against the Curriculum responds to the popularity of Writing Across the Curriculum WAC and similar programs in U S higher education Essays by administrators faculty and librarians teaching introductory and advanced writing classes argue that such classrooms make excellent spaces to question disciplinarity through the study of rhetoric critical thinking and curricular flexibility This intervention in composition and cultural studies discourses enables the activist enactment of cultural studies theory and addresses the theoretical implications of composition practices Rhetoric Review V18#2 Survey Theresa Jarnagi Enos, 2017-10-03 First published in 2001 Routledge is an imprint of Taylor and Francis an informa company

Breaking Up At Totality A Rhetoric Of Laughter Rhetorical Philosophy And Theory Introduction

In today's digital age, the availability of Breaking Up At Totality A Rhetoric Of Laughter Rhetorical Philosophy And Theory books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Breaking Up At Totality A Rhetoric Of Laughter Rhetorical Philosophy And Theory books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Breaking Up At Totality A Rhetoric Of Laughter Rhetorical Philosophy And Theory books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Breaking Up At Totality A Rhetoric Of Laughter Rhetorical Philosophy And Theory versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Breaking Up At Totality A Rhetoric Of Laughter Rhetorical Philosophy And Theory books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics.

Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Breaking Up At Totality A Rhetoric Of Laughter Rhetorical Philosophy And Theory books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Breaking Up At Totality A Rhetoric Of Laughter Rhetorical Philosophy And Theory books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Breaking Up At Totality A Rhetoric Of Laughter Rhetorical Philosophy And Theory books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Breaking Up At Totality A Rhetoric Of Laughter Rhetorical Philosophy And Theory books and manuals for download and embark on your journey of knowledge?
