

# 12 Life Coaching Questions to Ask Your Clients

## Are you happy with your current predicament, or status in life?

This first question is an excellent way to do an initial assessment of your client's general mindset. Ask your clients to be as open, honest, and candid as possible.

## What are your biggest fears?

Helping a client work through their fears, you as a life coach can help alleviate stress, and build a foundation for success.

## What type of life do you envision for yourself?

By comparing the current state to the desired future state you can address the obstacles involved and devise step-by-step plans to help the client achieve his/her ideal life.

## In one sentence, how would you describe your previous year?

The answer to this question will allow you to determine the clarity in your client's mind, as well their general outlook on life.

## What/who are you grateful for?

Helping a client understand the significance of the people in his/her life can also help them value these bonds. A sense of appreciation can help build healthier relationships.

## What things from your daily life make you happy?

Amidst the constraints of a busy life, it can help an individual make the time for the small things that make them happy.

## Why are they important to you?

You will find that a large part of an individual's mindset is influenced by the relationships in his/her life.

## How will you get to success?

Working in conjunction with what your client prefers, as well as what he/she places emphasis on, will help you determine a much clearer path to success.

## What is your definition of success?

Once it is defined it can be broken up into smaller, more realistic milestones. This makes it easier to work toward without being overwhelmed.

## What do you want to accomplish in the next year?

Reiterate your client's commitment to his/her life goals, set deadlines and work towards them. Help them create a sense of accountability to themselves.

## Who are the people you want to help the most through your life?

It is also important to help your client develop a strategy to have the kind of impact they desire.

## What can you do in the next week to make you happier and more purposeful?

Addressing smaller goals of happiness and purpose also promotes mindfulness, which will alleviate stress, and help your client feel in control.

## **Becoming A Life Coach 20 Of Your Top Questions Answered:**

**The Complete Guide to Writing & Publishing Your First e-Book** Martha Maeda, 2015-02-06 The advent of Amazon's Kindle in 2007 allowed millions of writers to make the leap from paper to the electronic screen. Several eReader competitors recently joined the ring introducing products such as the Apple iPad, Barnes Noble Nook, the updated Sony Reader, and Samsung Papyrus. The publishing world is experiencing a revolution with these electronic readers, and you can catch up to speed by learning the ins and outs of publishing with this low cost, high profit publisher. **The Complete Guide to Writing Publishing Your First eBook** is a guide for anyone who's dreamt about becoming a published author and is intrigued by the profitable new prospect of ePublishing but didn't know where to start. eBook sales hovered around 500 million at the end of 2009 and are steadily climbing. If you're passionate about writing and using new technology to market yourself and your work, this book will explain how you can do what you love and increase your earning potential. Start off with understanding what an eBook is and the differences between traditional and digital publishing and the benefits involved. You will identify and learn the details of more than 15 eReaders, including the three top selling Kindle, Nook, and Sony Reader. You will employ the basics of analyzing your audience, brainstorming, writing, editing, and marketing according to the type of eReader. You will learn the process of getting your book published, how to change or alter the format or style of your book to match the necessities of the eReader, and how to optimize the format of any text for e-reading. We spent dozens of hours interviewing writers who are experts in the art of digital publishing to provide a complete overview of everything you need to know about publishing your eBook. Not only will you learn how to upload your work through an eReader; you will also hone your writing skills with tips, writing exercises, and writing resources. You will learn how to target your book to the right demographic and what you can do to promote your book in online inventories. You will learn the basics of viral marketing, promotion, SEO, and building a business with digital publications. You will learn how to work with your eReader to produce innovative content, and you will learn how to monitor for updates to the electronic publishing industry. No matter what your goals are, you can start publishing from your home with eReader technology.

**Becoming a Critical Thinker** Sarah Birrell Ivory, 2021 Practical, approachable, and thought-provoking, your complete companion to critical thinking. **Becoming a critical thinker** is a straightforward, reassuring, and complete guide to critical thinking, one that helps you to understand critical thinking and develop the skills needed to employ it. This book supports the reader to not only think critically but to do so independently as a student, professional, and global citizen. The book has a clear three-part structure: firstly, examining what critical thinking is; secondly, exploring the three overarching aims of critical thinking; and finally, focussing on how to develop the essential tools to support those aims. This text assumes no prior knowledge or understanding; it has been developed to gently guide the reader from school-level education to university-level thinking in a clear and engaging manner. This is the only critical thinking skills text to offer insights and advice from professionals and students, helping the reader learn from the experiences of others in a

range of contexts Each chapter also offers guided exercises checklists and further reading to encourage the reader to apply techniques learnt to real situations It is also the only text to offer chapters dedicated to listening and speaking which are often overlooked but are vitally important skills

**Training Reinforcement** Anthonie Wurth, Kees Wurth, 2018-07-11 A proven framework to fill the gap between knowing and doing Training Reinforcement offers expert guidance for more effective training outcomes Last year US companies spent over 165 Billion on training while many training programs themselves provide valuable skills and concepts even the best designed programs are ineffective because the learned behaviors are not reinforced Without reinforcement learned information gets shuffled to the back of the mind in the nice to know file never again to see the light of day This book bridges the canyon between learning and doing by providing solid reinforcement strategies Written by a former Olympic athlete and corporate training guru this methodology works with human behavior rather than against it you ll learn where traditional training methods fail and how to fill those gaps with proven techniques that help training stick There s a difference between telling and teaching and that difference is reinforcement Learned skills and behaviors cannot be truly effective until they are engrained and they can only become engrained through use encouragement and measureable progress This book provides a robust reinforcement framework that adds long term value to any training program Close the 5 Reinforcement Gaps and master the 3 Phases for results Create friction and direction while providing the perfect Push Pull Follow the Reinforcement Flow to maintain consistency and effectiveness Create measureable behavior change by placing the participant central to the process Reinforcing training means more than simple repetition and reminders and effective reinforcement requires a careful balance of independence and oversight Training Reinforcement provides a ready made blueprint with proven results giving trainers and managers an invaluable resource for leading behavioral change
