Making A Comeback Jeffrey A. Johnson, 2008-09 If we are not living abundant lives how do we reclaim our lives in Christ Jesus said in John 10 10 The thief comes only to steal kill and destroy I am come that they might have life and that they might have it more abundantly Yet so many Christians fail to live an abundant life in fact too often they are just getting by just struggling to survive But God has so much more for us Many of us have sat passively and watched as the enemy of our souls has come like a thief stealing away our joy killing our bodies and destroying our families We have lost the abundance in our lives that Christ died to give us We allowed it to be taken from us while we watched apathetically as though we were only spectators of our own lives not followers of a risen active triumphant Christ The time for sitting still and bemoaning our lot in life is over God has empowered us to reclaim what we ve lost We can get our lives back Get our health back Get our minds back Get our families back Get our joy back We do not have to wallow in defeat We can make a comeback JEFFREY A JOHNSON SR is senior pastor of Eastern Star Church in Indianapolis Indiana a position he has held for over twenty years This is a church Where

Jesus is Exalted and the Word is Explained More important to him than the size of his church the titles he holds or the places he s been he wants people to know that he loves Jesus He and his wife Sharon Henry Johnson are the parents of four sons This is his second book following The Song of Solomon Love Sex and Relationships **Empathy and Ethics** Magnus Englander,Susi Ferrarello,2023-05-05 This book represents a unique indispensable reflection on the interconnection between empathy and ethics To what extent is it right to be empathetic Can empathy be unethical Or is there an ethical obligation to be empathetic Do we educate our citizens and train our professionals to use the right form of empathy Phenomenological ethics is a relatively new approach to ethics whose emphasis is put on the description of the lived experience and the ethical phenomenon The essays offer phenomenological descriptions of the thorny problem pertaining to the interconnection of empathy and ethics essential for professionals and scholars of different fields such as philosophy psychiatry health science psychology and sociology Contributors Michael Agostinelli Jr Elodie Boubilil Francesca Brencio Manuel Camassa Scott D Churchill Nicolas de Warren Craig Derksen John J Drummond ngrid Vendrell Ferran Jannik M Hansen Simon H ffding Joel Krueger Carlos Lobo Esteban Mar n vila Alexander Montes Dermot Moran Henning N renberg Tone Roald Eva Schwarz Andrea Staiti Joona Taipale Stefano Vincini Maren Wehrle Dan Zahavi London Kleinians in Los Angeles Jennifer Langham,2023-02-09 In 1968 Wilfred Bion and Albert Mason emigrated to Los Angeles at the invitation of a group of young analysts to teach and train local clinicians in the British object relations tradition They were joined by Susanna Isaacs Elmhirst for a period London Kleinians in Los Angeles is a colorful account of the early days of psychoanalysis in LA punctuated by in person presentations from the leading Kleinians of the day including Hanna Segal Herbert Rosenfeld Donald Meltzer and Wilfred Bion himself Their unpublished lectures from the 1960s and 1970s appear in Part I Part II features seminal papers by the founding fathers of the Psychoanalytic Center of California PCC James Gooch James Grotstein Arthur Malin and Albert Mason the group s leading spokesperson PCC continues to function as a vital center of psychoanalytic training and education in the British object relations tradition The unearthing of four unpublished contributions from four founding Kleinians is an incredible find for psychoanalysis and this book is highly recommended to all professionals and trainees in the field Those with an interest in the history of psychoanalysis will find much to excite them

Heterosexual Masculinities Bruce Reis,Robert Grossmark,2009-02-17 In recent years there have been substantial changes in approaches to how genders are made and what functions genders fulfill Most of the scholarly focus in this area has been in the areas of feminist gay and lesbian studies and heterosexual masculinity which tended to be defined by lack and absence has not received the critical and scholarly attention these other areas have received Heterosexual Masculinities rethinks a psychoanalytic tradition that has long thought of masculinity as a sort of brittle defense against femininity softness and emotionality Reflecting current trends in psychoanalytic thinking this book seeks to understand heterosexual masculinity as fluid multiple and emergent The contributors to this insightful volume take new perspectives on relations between men

men's positions as fathers in relation to their sons and daughters the clinical encounter with heterosexual men the social contexts of masculinity and the multiplicity of heterosexual masculine subjectivities What to a previous generation would have appeared as pathological or defensive we now encounter as forms of masculine subjectivity that include wishes for intimacy receptivity and surrender alongside ambition and the pleasures of phallic narcissism *Giving The Love That Heals* Harville Hendrix, Helen Hunt, 1998-08 The authors bring us to a new understanding of the most profound love of all by helping parents nurture their own development as they encourage emotional wholeness in their children Publishers description Life is Greater Than Limb: My Journey to Becoming Whole John LeMieux, 2023-09-21 Just before Christmas in 2012 at age fifty three John LeMieux lost his left leg to a recurrence of sarcoma The unique twenty hour rotationplasty surgery never done on a man his age was followed by six months of bed rest It was only the beginning of years of physical spiritual and emotional growth In this memoir John recounts the lows and highs of a life forever altered As an aging ex college athlete John was forced to confront a life where every expectation was changed With the help of his family and friends he discovered that he was stronger than he knew as he grappled with the physical loss of his leg the crippling anxiety that attacked him his relationships with others and his place in the world *Wholeness* Richard C. Prust, 2004 The notion of a person is in deep philosophical trouble And this has posed a deepening crisis for believers Christian beliefs are after all irreducibly about persons In response to this situation Prust proposes a new way to reason about persons one based on identifying persons as characters of action Employing a phenomenology of action he calls character logic he develops a powerful new tool for thinking through some of the intractable dilemmas that have long befuddled belief Can we avoid being arbitrary and parochial in claiming that God is the only source of moral value Can we reconcile natural evil in the world with God's absolute power Can we continue to honor the historicity of faith based claims in the face of critical history Can our personal life be eternal when neither timeless nor everlasting life is conceivable Can we accept our personal mortality and still affirm our destiny as eternal *Wholeness The Character Logic of Christian Belief* argues that character logic shows us a reasonable way to think about persons one that puts theology on a new footing and gives affirmative answers to all these questions
