Becoming Magic: A Course in Manifesting an Exceptional Life (Book

1) Genevieve Davis, *Becoming Magic* is book one of a complete course in becoming creator of your own exceptional life In this book I outline the exact steps that enabled me to move my own life from one of poverty and drudgery to one of previously unimaginable wealth purpose abundance and joy But Magic I do hope you are joking That s what I would have said five or ten years ago I once despised all things New Age all these spiritual types and their airy fairy views their bad science and their irrational beliefs I read all the New Thought and Law of Attraction greats Wallace Wattles Anthony Robbins Rhonda Byrne Napoleon Hill Esther Hicks and Wayne Dyer But no matter how many books I read or how closely I followed their instructions for manifesting money or love I couldn t make it work It was only when I recognized accepted and finally embraced that what I was doing was actually some kind of Magic that suddenly things began to fall into place Once I realized that the power came from within me it was as if the light had suddenly been switched on and my manifestations began to work I learned how to manifest money and love but I also learned how to be happy truly happy If you re jaded by New Age spirituality and the whole Law of Attraction idea or have become bored by its failure to deliver this book is for you It is my intention to lead you by the hand through a marvelous journey of wonder and adventure Part one of this course *Becoming Magic* lays the groundwork for becoming a magical person while part two *Doing Magic* offers concrete techniques and instructions for bringing wonderful things into your life The plan is to build your knowledge slowly gradually building on what has gone before moving on to more complex techniques only once the basics are mastered So many people fail with Magic and the Law of Attraction because they rush headlong into using techniques trying to create enormous manifestations making very simple but crucial mistakes When they are disappointed they imagine they have been duped The sceptics are right This is all a load of scammy nonsense And they give up declaring it just doesn t work I am telling you that it does work And you can make it work And this book will show you how My intention is that this book will allow you to become a true creator of your own exceptional life reawakening and rekindling your belief and interest in Spirituality The Law of Attraction Reality Creation Cosmic Ordering New Thought or whatever you wish to call it I prefer simply to call it Magic

Becoming Genevieve: An Extraordinary True Story of Believing in Magic Genevieve Davis, What if I told you I could do magic real magic Would you believe me It was 2010 and I had wasted my life Stuck in a dead end job divorced and in debt For me every day was much like the last But things were about to change Dramatically So how did a lonely overweight depressed 40 something woman go from poverty debt and despair to a life of fulfilment happiness wealth and spiritual awakening Did I rob a bank win the lottery or marry a millionaire Did I see doctors therapists and counsellors Did I join a cult No none of these things I used Magic In this book I share my true life story of exactly how I went from rags to riches from depression to awakening and created a truly exceptional life for myself Over the last few years I ve had many adventures and fantastic experiences I have

also life changing insights into magic manifesting and the whole business of being alive These insights had such a profound effect on me they ve changed my whole outlook on the world I didn t know this sort of peace of mind was possible I didn t know life could get this good And until now I told no one how I did it Writing under the pen name Genevieve Davis I chose to remain completely anonymous hiding my secret identity even from my own family Finally I have decided to go public with this bitingly honest account of my discovery mastery and belief in what I like to call Magic By revealing my true identity I can finally prove to you that everything I said in my early books about manifesting an exceptional life was true All of it And then I want to help you see what I have seen I want to help you understand what I now understand I want you create a life just as exceptional For lovers of self help memoirs and for those who like to believe that life should be magnificent Even sceptics may read this book and start to wonder Is Magic actually real
