**Who I Am After All** Jeff Ansell, 2023-01-16 You may recognize Jeff Ansell's voice from CHUM radio or his face from City TV but the behind the scenes tales of his life are even more fascinating than the stories he uncovered In this unflinchingly honest and vulnerable memoir Jeff reveals his investigative reporting escapades from hunting Nazi war criminals living in Canada to inciting the closure of an abusive nursing home and even going undercover as a drug addict to expose medical fraud He then steps over to the other side of the microphone to provide media and crisis training to thousands of people worldwide including PG E during the Erin Brockovich case and BP's partner during the Deepwater Horizon disaster He even became an instructor at Harvard Law School and lecturer at Harvard Business School despite being a high school dropout And that's just scratching the surface Jeff's uncanny ability to meet celebrities leads to hilarious and heartwarming interactions usually and he recognizes the irony of being an on air personality and keynotes speaker plagued with panic attacks He opens up about how grieving changed his relationship to spirituality and doesn't pull any punches when guiding us through his tumultuous battle with illness One thing is for sure Jeff lived a full life and this entertaining and inspirational memoir is proof of it
