rituals and gender roles As he demonstrates these movies are particularly disempowering for young women concocting plots in which the decision to refrain from sex until marriage is the young woman's primary source of agency and arbiter of moral worth Locating these regressive sexual politics not only in expected sites like the Twilight films but surprising ones like the raunchy comedies of Judd Apatow Kelly makes a compelling case that Hollywood films have taken a significant step backward in recent years Abstinence Cinema offers close readings of movies from a wide spectrum of genres and it puts these films into conversation with rhetoric that has emerged in other arenas of American culture Challenging assumptions that we are living in a more liberated era the book sounds a warning bell about the powerful cultural forces that seek to demonize sexuality and curtail female sexual agency *Evangelical Purity Culture and Its Discontents* Kathryn House, Sara Moslener, 2025-05-09 This volume is a collection of cutting edge interdisciplinary and creative essays that establishes a new approach to the study of evangelical purity culture It is a critical starting point for anyone seeking to understand this movement or begin their own research The book brings together the work of the Purity Culture Research Collective an independent and unaffiliated organization of scholars mental health professionals artists and advocates dedicated to studying the origins and impact of evangelical purity culture The study of purity culture is an interdisciplinary project using a variety of theories and methods including those from psychology religious studies sociology ethics biblical theological studies queer studies feminist studies historical studies and critical race studies Chapters in this volume employ various methods of inquiry with some framing their work in traditional academic prose and others making use of self reflexive analysis to acknowledge their own experiences as informing their arguments and conclusions This collection of essays reflects emerging scholarship both within and beyond the academy and stands as an example of how traditional academic analysis can be released from the confines of disembodied scholarship and is enriched by a diversity of approaches This book was originally published as a special issue of Theology Sexuality **Lies Young Women Believe Study Guide** Nancy DeMoss Wolgemuth, Dannah Gresh, 2018-02-06 Get the resource that helps you go deeper into the truths found in Lies Young Women Believe The Companion Guide contains questions and activities that will cause readers to think and wrestle with the truth in their search for answers to life's tough questions [My Journey Home Study Guide](#) Rita Carr, 2013-06-04 You Don't Have to Walk Alone **The Unofficial Guide to Walt Disney World 2017** Bob Sehlinger, Len Testa, 2016-07-18 Compiled and written by a team of experienced researchers whose work has been cited by such diverse sources as USA Today and Operations Research Forum The Unofficial Guide to Walt Disney World digs deeper and offers more than any other guide The Unofficial Guide to Walt Disney World explains how Walt Disney World works and how to use that knowledge to make every minute and every dollar of your vacation count With advice that is direct prescriptive and detailed it takes the guesswork out of travel by unambiguously rating and ranking everything from hotels restaurants and attractions to rental car companies With an Unofficial Guide in hand and authors Bob Sehlinger and Len Testa as guides find out what's available in every category from
