Aphrodites Blessings:

Aphrodite's Blessings Clemence McLaren, 2002 Atalanta Andromeda and Psyche three female characters in Greek mythology tell the stories of their marriages Includes information on love and marriage in ancient Greece **Worshipping Aphrodite** Rachel Rosenzweig, 2004 Worshipping Aphrodite fills a gap in scholarship that has largely ignored the worship of Aphrodite in classical Athens in favor of more prominent deities such as Athena Zeus and Hephaistos It is the first study in English to address the role Aphrodite played in the daily religious activities of the city's population by focusing on the archaeological material associated with Aphrodite's Athenian and Attic cult sites from a specific time period By examining this material together Rosenzweig reveals that Aphrodite had a much more prominent position among the gods of classical Athens than previously understood far greater than a deity who merely presided over matters of love and lust Aphrodite aided in the overall maintenance and welfare of Athens local government business community family life and agricultural health and unified the people in both the public and private spheres This fascinating study will interest not only classical archaeologists but those interested in the nature of Greek religion and cult practices and those specializing in the development of the Athenian polis It provides a useful re-examination of scholarship on Aphrodite and enhances our understanding of her social and political importance in the Athenian environment **BOOK JACKET** **Spells and Rituals of the Goddess Aphrodite** Lisa McGarner, Learn to worship the Goddess Aphrodite focusing on practical results in your life This book was written from the rare and scarce magic of the Greek ancestral cult dedicated to the Goddess Aphrodite The prayers spells and rituals were adapted for this century after undergoing three decades of study and testing Everything in this book has been filtered and aimed exclusively at tangible results all excess ritual and necessary elements have been cleaned up to provide practical simple results oriented magic The Goddess Aphrodite is relatively easy to contact but the correct techniques are necessary for successful contact *Masks of the Muse* Veronica Cummer, 2009-02 Who is the Muse Why do we need Her How do we tap into that shining current of inspiration and create something never before seen something beautiful and terrible fantastical and infinitely real The Muse is as vital to our lives today as She was in ancient times She changes as we change and Her Arts are continually in flux Arts that we simply cannot live without or that we wouldn't want to Among other things they are tools to make and re-make our world even as we work with Fate to weave the web of life and death of creation and destruction Through four faces four masks of the Muse this book explores different aspects of inspiration creativity and magick Aphrodite Ceridwen Ariadne and the Lady of the Lake await each to teach us of the Arts and what we are capable of at our very best By the poetry prayer invocation and ritual contained within we can come to know the Muse and so know ourselves and the gifts we all have within us that demand recognition and expression The path of the Muse may not always be an easy or a safe one but anything worth having is worth paying the price for Who is the Muse Who are we This book is a journey one that we must dare to take and dare to take hold of what is revealed As we must
