Christian Hymnody in Twentieth-Century Britain and America David Music, 2001-07-30 The 20th century especially the latter decades was a time of explosive growth and importance in hymnody and yet published material about the hymnody of this period has been scattered and difficult to come by The present volume catalogues and categorizes the available writings to guide students and scholars in their research Furthermore this reference does not depend primarily on the view of the author compiler but guides users toward a broad spectrum of viewpoints about 20th century hymnody Listing the principal writings on the repertory language practice and people of hymnody during the last century this annotated bibliography offers students and researchers alike a handy reference for a vast and varied field Beginning with a unique introduction to and summary of hymnody in the 20th century Music arranges the entries by topic dividing each chapter by helpful subject headings The repertory of the twentieth century and language issues are discussed Practical elements of hymnody are covered while the final chapter lists writings about

individual hymn writers and other influential persons in the field Music provides a brief annotation for each entry and uses numerous cross references guiding the reader to relevant material in other sections of the book A comprehensive index concludes this essential reference **Hymns of the Apostolic Church** John Brownlie,2018-06-13 Although most of the poetry and hymns from the Apostolic father is no longer with us what has been preserved is given here in a beautiful form translated faithfully from the original Greek The translator is a gifted poet that was awarded high honours for his work on this and other projects Leaving the task to translate such vivid and real poetry from such a time as we have not seen before could only be handled by a true poet at heart These hymns will bring you to a time and place where the gospel was being preached boldly and will embolden you to take on the evangelical call to spread the word of our saviour Jesus Christ **The Lesser Hymnal** Methodist Episcopal Church,1875 **Apostolic Hymns and Songs.
