Church Plantology Peyton Jones, 2021-04-20 The first comprehensive textbook on effective church planting from a veteran church planter The Apostle Paul was a veteran church planter who laid a foundation like a wise and master builder and there is much we can learn from his example Paul indicated that there were basic skills and experiences required to successfully plant a church Church Plantology examines the wide variety of church planting methods and ideologies in contemporary pastoral practice and outlines a biblical model based on the New Testament During his time in prison Paul spent much of his time writing to Titus Timothy and others who d served alongside him in the trenches to complete their training as church plantings We can continue to apply these time tested proven methods following the pioneering example of the early church Today the casualty rate in is high What if we could reduce the odds of failing Church Plantology by Peyton Jones is a robust guide to planting that will help planters to provide the

Tentmaking Kurt T. Kruger, 2020-09-29 Would it surprise you to know that New Testament scholars missiologists and church planting authorities cannot agree on how to define tentmaking whether or not the church should be practicing it today or even why Paul did it in the first place It's true In Tentmaking the widespread confusion and overall disagreement within the church regarding Paul's self support are exposed Commonly held assumptions are removed from their entrenched positions and myths are debunked In their place Tentmaking offers an unadorned yet powerfully convincing presentation of Paul's own self disclosed reasons for intentionally selecting to support himself in some ministry contexts but not others This well researched book provides answers to crucial questions that currently surround tentmaking as well as a practical guide intended to lead to the recovery of biblical tentmaking within the church Readers who pick up this book should be prepared to embark on an engrossing journey that will reward them with clarity on the often misunderstood topic of Paul's tentmaking
