Appalachian Dulcimer Traditions American Folk Music And Musicians Series:

Appalachian Dulcimer Traditions Ralph Lee Smith, 2010-03-19 The Appalachian dulcimer is one of America's major contributions to world music and folk art. Homemade and handmade, played by people with no formal knowledge of music, this beautiful instrument entered the post World War II Folk Revival with virtually no written record. *Appalachian Dulcimer Traditions* tells the fascinating story of the effort to recover the instrument's lost history through fieldwork in the Southern mountains, finding of old instruments, and listening to the tales of old folks. After reviewing the instrument's distinctive musical features, Ralph Lee Smith presents the dulcimer's story chronologically, tracing its roots in a Renaissance German instrument, the scheitholt, describing the early history of the scheitholt and the dulcimer in America, and outlining the development of distinctive dulcimer styles in Virginia, West Virginia, North Carolina, and Kentucky. The story continues into the 20th Century through the final group of tradition-based Appalachian makers whose work flowed into the national scene of the Folk Revival. This fully revised edition provides expanded information about the history of the scheitholt and the dulcimer before the Civil War and discusses traditions and types that are still being discovered and documented. Smith also adds his personal adventures in searching for the dulcimer's history. A new final chapter describes types and styles that do not fit conveniently into the mainstream development of the instrument. The book concludes with several appendixes including measurements of representative dulcimers and listings of dulcimer recordings in the Archive of Folk Culture of the Library of Congress.

American Folk Music and Left-wing Politics, 1927-1957 Richard A. Reuss, JoAnne C. Reuss, 2000 The 1930s and 1940s represented an era in United States history when large groups of citizens took political action in response to their social and economic circumstances. The vision, attitudes, beliefs, and purposes of participants before, during, and after this time period played an important part of American cultural history. Richard and JoAnne Reuss expertly capture the personality of this era and the fascinating chronology of events in *American Folk Music and Left Wing Politics 1927-1957*, a historical analysis of singers, writers, union members, and organizers and their connection to left-wing politics and folk music during this revolutionary time period. While scholarship on folk music history and politics is not unique in and of itself, Reuss's approach is noteworthy for its folklorist perspective and its long-encompassing assessment of a broad cross-section of participants and their interactions. An innovative and informative look into one of the most evocative and challenging eras in American history, *American Folk Music and Left Wing Politics 1927-1957* stands as a historic milestone in this period's scholarship and evolution.

A History of Folk Music Festivals in the United States Ronald D. Cohen, 2008 In *A History of Folk Music Festivals in the United States: Feasts of Musical Celebration*, Ronald D. Cohen presents a comprehensive narration of folk music festivals in America, providing details on events both large and small from the 19th century to the present. Cohen discusses events like the Newport, Philadelphia, University of Chicago, and National Folk Festivals, describing and analyzing long-running as well as short-lived festivals throughout the country and covering a dizzying array of musical styles, including

blues Cajun Irish klezmer women's bluegrass gospel country singer songwriters and world Cohen draws on a wide range of primary and secondary sources to create a detailed description of these exciting feasts of musical celebration capturing the nature and variety of the festivals and fully expressing this vital part of the development of folk music Studying these events brings a truly national perspective to our understanding of folk music and provides important insights into their social cultural musical and even political contexts This account of folk music festivals in America is vital to folklorists

ethnomusicologists U S historians and readers with an interest in folk music and its history Publisher's website **Arlo Guthrie** Hank Reineke, 2012-06 Arlo Guthrie revisits Guthrie's fifteen year ride as a recording artist With a look at Guthrie's life and times before and after this prolific period of his career this biography is a goldmine of information on the Guthrie family's legacy to American music the counterculture

The Conscience of the Folk Revival Izzy Young, 2013 Israel G Izzy Young was the proprietor of the Folklore Center in Greenwich Village from the late 1950s to the early 1970s The literal center of the New York folk music scene the Center not only sold records books and guitar strings but served as a concert hall meeting spot and information kiosk for all folk scene events Among Young's first customers was Harry Belafonte among his regular visitors were Alan Lomax and Pete Seeger Shortly after his arrival in New York City in 1961 an unknown Bob Dylan banged away at songs on Young's typewriter Young would also stage Dylan's first concert as well as shows by Joni Mitchell the Fugs Emmylou Harris and Tim Buckley Doc Watson Son House and Mississippi John Hurt The Conscience of the Folk Revival The Writings of Israel Izzy Young collects Young's writing from his regular column Frets and Frails for Sing Out Magazine 1959-1969 to his commentaries on such contentious issues as copyright and commercialism Also including his personal recollections of seminal figures from Bob Dylan and Alan Lomax to Harry Smith and Woody Guthrie this collection removes the rose tinting of past memoirs by offering Young's detailed day by day accounts A key collection of primary sources on the American countercultural scene in New York City this work will interest not only folk music fans but students and scholars of American social and cultural history

African American Folksong and American Cultural Politics Bruce M. Conforth, 2013-05-16 In African American Folksong and American Cultural Politics The Lawrence Gellert Story scholar and musician Bruce Conforth tells the story of one of the most unusual collections of African American folk music ever amassed and the remarkable story of the man who produced it Lawrence Gellert Compiled between the World Wars Gellert's recordings were immediately adopted by the American Left as the voice of the true American proletariat with the songs largely variants of traditional work songs or blues dubbed by the Left as songs of protest As both the songs and Gellert's standing itself turned into propaganda weapons of left wing agitators Gellert experienced a meteoric rise within the circles of left wing organizations and the American Communist party But such success proved ephemeral with Gellert contributing to his own neglect by steadfastly refusing to release information about where and from whom he had collected his recordings Later scholars as a result would skip over his closely held largely inaccessible research with some asserting Gellert's work

had been doctored for political purposes And to a certain extent they were correct Conforth reveals how Gellert at least assisted in the creation of some of his more political material But hidden behind the few protest songs that Gellert allowed to become public was a vast body of legitimate African American folksongs enough to rival the work of any of his contemporary collectors Had Gellert granted access to all his material scholars would have quickly seen that it comprised an incredibly complete and diverse collection of all African American song genres work songs blues chants spirituals as well as the largest body of African American folktales about Irish Americans what were referred to as One Time Irishman tales It also included vast swaths of African American oral literature collected by Gellert as part of the Federal Writers Project In African American Folksong and American Cultural Politics Conforth brings to light for the first time the entire body of work collected by Lawrence Gellert establishing his place and the place for the material he collected within the pages of American folk song scholarship In addition to shedding new light on the concept of protest music within African American folk music Conforth discusses the unique relationship of the American Left to this music and how personal psychology and the demands of the American Communist party would come to ruin Gellert's life African American Folksong and American Cultural Politics will appeal to students and scholars in the fields of American social and political history African American studies the history of American folk music and ethnomusicology

The Hammered Dulcimer Paul M. Gifford, 2001-06-13 The last quarter of the twentieth century saw a renewed interest in the hammered dulcimer in the United States at the grassroots level as well as from elements of the Folk Revival This book offers the reader a discussion of the medieval origins of the dulcimer and its subsequent spread under many different names to other parts of the world Drawing on articles the author has written in English as well as articles by specialists in their own languages Gifford explains the history and evolution of the instrument Special attention is paid to the North American tradition from the early 18th century to the 1970s revival Drawing from local histories news clippings photographs and interviews the book examines the playing of the dulcimer and its associated social meanings

Paul Clayton and the Folksong Revival Bob Coltman, 2008-09-05 Paul Clayton and the Folksong Revival is the first biography of the folk singer and song collector Paul Clayton 1931-1967 Preeminently a scholar balladeer Clayton is credited with the Top Ten hit Gotta Travel On and single handedly brought hundreds of obscure folksongs to **Greenback Dollar** William J. Bush, 2013 In Greenback Dollar The Incredible Rise of The Kingston Trio the first in depth biography of America's first recording super group William J Bush retraces the band members personal and professional lives from their rapid rise to stardom to their early retirement in 1967

A Pete Seeger Discography David King Dunaway, 2010-11-12 Pete Seeger is one of the most recorded artists in American history and his recording catalog tells us not just the story of his career but the story of our culture and its political and social history A Pete Seeger Discography Seventy Years of Recordings is a comprehensive listing of the 45s 78s LPs and CDs recorded by Seeger in his various incarnations with the Almanac Singers with the Weavers as a solo artist and with other musicians and contributors David King Dunaway provides

Appalachian Dulcimer Traditions American Folk Music And Musicians Series Introduction

In today's digital age, the availability of Appalachian Dulcimer Traditions American Folk Music And Musicians Series books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Appalachian Dulcimer Traditions American Folk Music And Musicians Series books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Appalachian Dulcimer Traditions American Folk Music And Musicians Series books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Appalachian Dulcimer Traditions American Folk Music And Musicians Series versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, Appalachian Dulcimer Traditions American Folk Music And Musicians Series books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Appalachian Dulcimer Traditions American Folk Music And Musicians Series books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Appalachian Dulcimer Traditions American Folk Music And Musicians

Series books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Appalachian Dulcimer Traditions American Folk Music And Musicians Series books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Appalachian Dulcimer Traditions American Folk Music And Musicians Series books and manuals for download and embark on your journey of knowledge?

FAQs About Appalachian Dulcimer Traditions American Folk Music And Musicians Series Books

1. Where can I buy Appalachian Dulcimer Traditions American Folk Music And Musicians Series books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
