Johnson, 2016-08-17 In *The Reconciling Wisdom of God* Reframing the Doctrine of the Atonement Adam Johnson already a leading scholar of the atonement considers God's redemptive work in Christ through the atonement as an act of God's infinite wisdom In making this crucial turn Johnson is able to speak to proponents of the various atonement theories and move the discussion forward in a new direction grounded in the truth of God's infinite wisdom Genuinely reframing the debate around the atonement *The Reconciling Wisdom of God* is a must read for students of the atonement

The Moral Governmental Theory of Atonement Obbie Tyler Todd, 2021-03-16 The American moral governmental theory of the atonement MGT was arguably the most contextualized doctrine of atonement in the history of the Protestant tradition Hewn from the theology of Jonathan Edwards and engineered to address the theological political philosophical moral and even economic milieu in the early republic MGT became the doctrinal centerpiece of the first indigenous American school of Calvinism As a result it stands as a kind of theological time capsule to the people and principles that shaped the tumultuous period between the first Great Awakening and the Civil War when it flourished in America For over a century in the Anglo American world the doctrine of atonement was under heavy construction in the broader Reformed community By endowing new meaning to old theological terms like imputation substitution justice punishment and even atonement MGT represents a theological watermark of sorts in Reformed dogmatics defining its limits testing its boundaries and demanding a level of precision from today's theologians This book offers a contextualization distillation and conversation with this Edwardsean doctrine of atonement
