The structure of your Class Constitution will be in the same way as the structure of the original Constitution. It will include the following parts:

- Introduction** - This is the introductory sentence that sets out the purpose of your Constitution.
- Preamble** - There are the main sections that deal with the big ideas of your Constitution. Our Constitution has 7 Articles but yours can have as many as you need.
- Articles** - These deal with specific parts of each Article. The number of sections varies from 10 to 100 for each Article.
- Signatures** - At the end of your Articles, every group member must sign their name.
- Amendments** - If you want to change your Constitution, you can add amendments. It is complete.
- Use the large poster** - Each group's Constitution will be a large poster. After you have finished your Constitution, combine your group's poster with the others to make a class Constitution.

Explain that to the class.
