Historic Homes of Minnesota Roger G. Kennedy, 2006 Great Houses of Minnesota is the engaging story of the evolution of architectural styles in Minnesota from 1830 to 1914 from the influence of the early French traders along the Mississippi and St Croix to the emergence of the school of Frank Lloyd Wright Through photographs and colorfully informative text internationally known historian Roger Kennedy helps readers understand the unique styles of Minnesota s first homes including the Mower House in Arcola the first large house on the St Croix Alexander Ramsey s Mansion House in St Paul influenced by Pennsylvania Dutch virtues the whimsical Charles C Clement house in Fergus Falls clearly Norse in spirit and the Purcell House in Minneapolis a fine example of the Prairie School design On a broad plane these architectural eras reflected social customs politics commerce religion and literature On a personal level they often revealed the national origin and character of the families that made the house a home In short this is in large measure a history of the people

Kennedy has considered their heritage and traditions as carefully as he has examined the architecture they created and he offers a fresh wholistic approach to the study of our state s great houses *The Eclectic Odyssey of Atlee B. Ayres, Architect* Robert James Coote,2001 During the three decades Coote examines Ayres designed nearly two hundred homes in the fashionable San Antonio suburbs of Monte Vista Olmos Park and Terrell Hills homes that even now rank among the most charming in the area **Creating Your Architectural Style** George D. Hopkins,2009-09-15 Create your dream home with this valuable resource to inspire you and guide you through the residential design and construction process A complete and concise resource for building a fine home **Creating Your Architectural Style** presents detailed explanations of the design process guiding readers from the initial concept to the finishing touches Filled with beautiful photographs this reference will enable readers to design a dream home that is an expression of their personal style as well as their lifestyle Architect George D Hopkins Jr understanding the daunting task of building a new home walks the reader through each phase of the design and construction process Step by step this reference will help readers solve any number of vexing questions from Where do I begin to What is the difference between Greek Revival and Dutch Colonial Hopkins teaches readers how to make decisions based on their family s needs explores the relationship between the architectural style and the floor plan of the home and defines the roles and responsibilities of the architect structural engineer interior designer landscape architect and general contractor He provides important insight into planning the principle spaces in a home and describes special architectural features from fireplaces to staircases and porticos to pools **Creating Your Architectural Style** is the authoritative resource for coordinating the planning and design of fine homes Written to eliminate the intimidating aspects of building a new home it presents an orderly design process and addresses issues of concern to residential architectural clients Praise for **Creating Your Architectural Style** Especially helpful are his definitions of the responsibilities of the professionals involved from architect to general contractor Library Journal
