It's a trap, and you need to get out. Life is for living, not merely existing. Which are you doing? The Science of Breaking Out of Your Comfort Zone is not a motivational rah-rah book. This book answers the question: how do you gain the confidence to consistently break out of your comfort zone to accomplish any goals you have? You'll learn what actually matters and what to stop wasting your time on. No more what-ifs that keep you from your potential.
