

Pre-AP Algebra 2 Instructional Planning Guide with SpringBoard Algebra 2, National Edition

The goal of the instructional planning guide is to help you create a roadmap of the key instructional activities and assessments you will use to design your course in alignment with the Pre-AP course framework and instructional principles. This sample offers one approach of how your SpringBoard resources can be used across each Pre-AP unit to create a plan for the full year. We encourage you to adapt this approach to support your students' needs.

Using and Customizing the Instructional Planning Guide:

- Consider using this tool to plan collaboratively with your peers.
- This document is flexible, allowing you to modify it as needed to best support your students' needs.
- Feel free to incorporate other SpringBoard resources to reinforce the model lessons and course goals as appropriate. These resources include:
 - Core lessons and activities
 - Embedded Assessments
 - Skills Workshops
 - SpringBoard digital assessments
 - Desmos activities
- Take time to capture your reflections as you move through the course.
