Death by Leisure Chris Ayres, 2010-01-19 A British journalist's fast and funny account of hedonism and conspicuous consumption in Los Angeles and his attempt to get in on the fun The New York Times From the author of War Reporting for Cowards *Death by Leisure* is the incisive irreverent and savagely funny story of British journalist Chris Ayres's attempt to infiltrate the American leisure class and find true love in the credit fueled years before the 2008 economic collapse When the bubble bursts however Ayres must learn to live without the billionaire balls supermodel girlfriends foie gras pina coladas and caviar facials to which he's grown accustomed Just like the rest of us alas With dry British wit Ayres skewers American greed A life and his own endless romantic foibles Somehow Ayres knew the fall was coming and kept going anyway So did we Time Were this merely a tale of a stranger in a strange land Ayres's hilariously self effacing manner would make this worth reading But what makes it more than merely clever is the way Ayres turns his own romantic insecurity and material aspiration into a stinging if sympathetic indictment of mindless consumption Yes we're destroying the planet he seems to say but can we help it given how pathetic we are And anyone who can make us laugh at that must be a genius Booklist starred review
