generation Can he trust his friends or his own mind to make sense of the danger they appear to be in Thwarted by the world and by his own innate desires buffeted by unhealthy fixations he spirals into paranoia and isolation as the relationship between the Trawler and Robert Mallory hurtles inexorably toward a collision Set against the intensely vivid and nostalgic backdrop of pre Less Than Zero L A The Shards is a mesmerizing fusing of fact and fiction the real and the imagined that brilliantly explores the emotional fabric of Bret s life at seventeen sex and jealousy obsession and murderous rage Gripping sly suspenseful deeply haunting and often darkly funny The Shards is Ellis at his inimitable best Bret Easton Ellis's American Psycho Julian Murphet,2002-01-11 This is part of a new series of guides to contemporary novels The aim of the series is to give readers accessible and informative introductions to some of the most popular most acclaimed and most influential novels of recent years from The Remains of the Day to White Teeth A team of contemporary fiction scholars from both sides of the Atlantic has been assembled to provide a thorough and readable analysis of each of the novels in question
