Arena Tv Manual:

TV Transformations Tania Lewis, 2013-09-13 The past decade has seen an explosion of lifestyle makeover TV shows. Audiences around the world are being urged to renovate everything from their homes to their pets and children while lifestyle experts on TV now tell us what not to eat and what not to wear. Makeover television and makeover culture is now ubiquitous and yet compared with reality TV shows like Big Brother and Survivor there has been relatively little critical attention paid to this format. This exciting collection of essays written by leading media scholars from the UK, US and Australia aims to reveal the reasons for the huge popularity and influence of the makeover show. Written in a lively and accessible manner, the essays brought together here will help readers make sense of makeover TV by offering a range of different approaches to understanding the emergence of this popular cultural phenomenon. Looking at a range of shows from The Biggest Loser to Trinny and Susannah, the essays include an analysis of how and why makeover TV shows have migrated across such a range of TV cultures, the social significance of the rise of home renovation shows, the different ways in which British versus American audiences identify with makeover shows and the growing role of lifestyle TV in the context of neo-liberalism in educating us to be good citizens. This book was published as a special issue of Continuum Journal of Media and Cultural Studies.

Playgrounds to the Pros Jeff

Karzen, 2023-02-07 Howard Nathan A J Guyton Sergio McClain Marcus Griffin Frank Williams Shaun Livingston This dazzling constellation of talent helped make Peoria a prep basketball hotbed from the 1980s to the 2000s. Jeff Karzen takes readers inside the lives of the players, coaches and others who defined an era that produced six state titles and four Illinois Mr. Basketball winners. Drawing on dozens of in-depth interviews, Karzen tells the stories behind the on-court triumphs while providing a panorama of the entire Peoria scene: the rivalries and relationships, the families and friendships, the hopes and hard work. Karzen also follows the players into their Division 1 and NBA careers and pays special attention to the pipeline that by connecting Peoria to Champaign-Urbana powered one of the most successful periods in Fighting Illini basketball history. Intense and intimate, *Playgrounds to the Pros* chronicles a basketball golden age in America's quintessential blue-collar town.
