Language Learning Mary Cappellini, 2024-11-01 Teaching reading to children in a language that is not their own is a daunting task. *Balancing Reading and Language Learning: A Resource for Teaching English Language Learners K-5* provides the strategies proven to be effective in a balanced reading program while at the same time valuing the native culture and first language skills of the English language learner. Combining the best classroom practices and research on teaching reading and language acquisition, author Mary Cappellini integrates effective reading instruction with effective language instruction. Through the framework of a balanced reading program, she emphasizes the importance of constantly listening for and assessing children's language and reading strategies during read aloud, shared reading, guided reading, and independent reading, including literature circles. Included in this text are: How to set up an environment that will allow all English language learners to succeed; Stages of English language proficiency and stages of reading development, how they compare, and how to use them to assess and plan for individual children; A focus on tapping into children's prior knowledge in their primary language while teaching reading in English and using Spanish-English cognates to help develop academic language; A collection of in-depth lessons and mini-lessons based on children's language proficiency and reading strategy needs with ongoing assessment, teacher reflection, and with an emphasis on choosing the right books to match their reading and language level; How to manage numerous guided reading groups with children of all stages of reading and language proficiency; Thematic planning with sample units for primary and upper grades to support academic language and meet content standards; Ideas for literacy evenings, school tours, and other events to involve parents with the learning community; Extensive resources, numerous forms and checklists, observation sheets, planning sheets, literature response sheets, focus sheets for shared and guided reading, and more. Regardless of how many or how few ELL students a teacher has, this invaluable resource helps them meet the challenges and reap the rewards of teaching children to read as they learn the language.

Seven Steps to Separating Difference From Disability Catherine Collier, 2010-10-22 This is a complete book for practitioners helping me determine at what stage in the process my child study team is and where we should go next. Margaret Couture, Principal, Seneca Central School District, Interlaken, NY. This book contributes significantly to the body of literature on RTI. No professional library will be complete without this book for addressing the multicultural perspective.

Karen Kozy Landress, Speech Language Pathologist, MILA Elementary School, Merritt Island, FL. Ensure appropriate placement and services for your school's diverse students. When a culturally and linguistically diverse CLD student struggles in school, how can you tell whether language or cultural differences are the cause or if the student has a learning or behavioral disability? Because the reason can be difficult to pinpoint, having the right assessment process in place is crucial. *Seven Steps to Separating Difference From Disability* shows how educators can adapt the widely used Response to Intervention (RTI) model to make sound decisions regarding a student's education. Catherine Collier presents a framework that breaks down the process into seven clear steps for determining each student's unique strengths and needs, helping educators make

appropriate decisions regarding resources referrals and integrated services Principals school administrators and RTI team members will find Instruction intervention and assessment techniques specific to the challenges faced by limited English proficient LEP students and English language learners ELLs A step by step process that works within an RTI framework supporting collaboration among teachers specialists and administrators Realistic research based guidance on key considerations such as cognitive learning style language acquisition acculturation and the role of family and community A running case study that demonstrates the book s strategies in action Develop your team s ability to distinguish between learning differences and disabilities so you can better serve all students
