Authorpreneurship Sharon C Jenkins Ma, Sharon Jenkins, 2014-09 What does it take to become a successful author in today's publishing world? It's not enough to write a powerful book; today's author must understand and leverage the business side of writing. *Authorpreneurship: The Business Start Up Manual for Authors* by Sharon Jenkins takes the aspiring writer from curiosity to career, combining both sides of publishing: author and entrepreneur, to empower writers with direction, publishing options, marketing solutions, and business savvy to grow their career. **Christian Authorpreneurship:**

Mastering the Business of Writing Sharon Jenkins, 2015-04-27 So God told you to write a book, so now what? Sometimes when we hear the call, it's nice to have an instruction manual to guide you through the end of your manuscript. Whether you are writing for ministry or to make money to finance your God project, knowing where to start and how to get equipped for the journey is imperative to your end result. *Christian Authorpreneurship: Mastering the Business of Writing* is the answer to your prayers. It is one of the few books that addresses the Nehemiah Principle for writers. This book equips readers to effectively take care of the business side of writing while consecutively building content that will equip, edify, and exhort their reading audience. Each chapter ends with an activity that reinforces what you've learned in the preceding chapter to ensure that you are ready for manuscript completion. *Christian Authorpreneurship: Mastering the Business of Writing* keeps you mission-focused on your purpose-driven writing project and addresses such topics as time management, financing your book project, discovering your publishing personality, and how to write with a God resolve in mind. This book was specifically designed for Christian authors who desire excellence in their writing ministry while embracing their marketplace assignment to handle the business side of writing throughout the life of their book project. Business For Authors Joanna Penn, 2018-08-12 Are you ready to take the next step in your author journey? Art for the sake of art is important. Writing for the love of it or to create something beautiful on the page is absolutely worthwhile and critical to expand the sum of human expression. But I'm not here to talk about creativity or the craft of writing in this book. My aim is

to take the result of your creativity into the realm of actually paying the bills To take you from being an author to running a business as an author I was a business consultant for 13 years before I gave up my job in September 2011 to become a full time author entrepreneur I worked for large corporates and small businesses implementing financial systems across Europe and Asia Pacific I ve also started a number of my own businesses a scuba dive charter boat in New Zealand a customized travel website a property investment portfolio in Australia as well as my freelance consultancy I ve failed a lot and learned many lessons in my entrepreneurial life and I share them all in this book In the last six years of being an author through tempestuous changes in the publishing world I ve learned the business side of being a writer and I now earn a good living as an author entrepreneur I m an author because it s my passion and my joy but also because it s a viable business in this age of global and digital opportunity In the book you will learn Part 1 From Author To Entrepreneur The arc of the author s journey definition of an author entrepreneur deciding on your definition of success Plus should you start a company Part 2 Products and Services How you can turn one manuscript into multiple streams of income by exploiting all the different rights various business models for authors and how to evaluate them information on contracts copyright and piracy Plus putting together a production plan Part 3 Employees Suppliers and Contractors The team you need to run your business Your role as author and what you re committing to as well as co writing Editors agents and publishers translators book designers and formatters audiobook narrators book keeping and accounting virtual assistants Plus how to manage your team Part 4 Customers In depth questions to help you understand who your customers are and what they want as well as customer service options for authors Part 5 Sales and Distribution How to sell through distributors and your options plus all the information you need to sell direct ISBNs and publishing imprints do you need them Plus your options for pricing Part 6 Marketing Key overarching marketing concepts Book based marketing including cover back copy and sales pages on the distributors Author based marketing around building your platform and customer based marketing around your niche audience and targeted media Part 7 Financials Revenues of the author business and how to increase that revenue Costs of the author business and funding your startup Banking PayPal accounting reporting tax and estate planning Part 8 Strategy and Planning Developing your strategy and business plan Managing your time and developing professional habits The long term view and the process for becoming a full time author Plus looking after yourself Part 9 Next Steps Questions from the book to help you work out everything to do with your business plus encouragement for your next steps Appendices Workbook and Bonus Downloads including a workbook and business plan template If you want to go from being an author to running a business as an author download a sample or buy now [Authorpreneurship](#) Hazel Edwards,2012 This practical book by Hazel Edwards offers strategies for beginner mid list and highly experienced authors needing to adapt to a fast changing digital global industry Learn how to sell your book for longer in new formats and to larger audiences **Your Author Business Plan** Joanna Penn,2020-12-10 You are an author You turn ideas into reality in the shape of a book You turn the thoughts in your head into

valuable intellectual property assets You understand how powerful the written word can be Now it s time to use your words to create a business plan to take your writing career to the next level whatever that means for your situation I m Joanna Penn and I ve been a full time author entrepreneur for almost a decade In this book I ll guide you through the process of creating a business plan that will help you achieve your creative and financial goals It s relevant for fiction and non fiction authors as well as those who want to include other products services and income streams It s also applicable whether you re just starting out or if you already have a mature author business A plan helps at any stage of the journey Part 1 covers your business summary and author brand taking you through the process of deciding the overall direction for what you want to achieve and who you want to serve Part 2 goes into the production process around your writing publishing and licensing products and services Part 3 covers your marketing strategy and author eco system Part 4 goes into the financial side of your business from mindset to revenue and costs as well as paying yourself now and into the future The final chapter will give you a framework for simplifying your plan and turning it into achievable steps across a chosen timeline In each section I give examples from my own business plan and there are questions for you to answer templates and resources that might help along the way as well as example business plans for different kinds of authors It s time to take your author career to the next level Let s get started on your business plan Please note This book doesn t go into detail on how to do the specific topics for example how to self publish a book or how to do content marketing I cover those topics in my other Books for Authors If you already have my previous business book Business for Authors this is a rewritten and updated sub set of that material focusing on the specifics of a plan as opposed to everything involved in running a business This book acts as a companion as well as a more recent update to my own author journey It will help you bring it all together into a coherent plan that you can use to take your author business into the future Books for Authors by Joanna Penn How to Write Non Fiction How to Market a Book How to Make a Living with your Writing Productivity for Authors Successful Self Publishing Your Author Business Plan The Successful Author Mindset Public Speaking for Authors Creatives and Other Introverts Audio for Authors Audiobooks Podcasting and Voice Technologies The Healthy Writer Business for Authors How to be an Author Entrepreneur Career Change

The Author Training Manual Nina Amir, 2014-02-18 If you want to write a book that s going to sell to both publishers and readers you need to know how to produce a marketable work and help it become successful It starts the moment you have an idea That s when you begin thinking about the first elements of the business plan that will make your project the best it can be The reality is that you don t want to spend time and energy writing a book that will never get read The way to avoid that is to create a business plan for your book and evaluate it and yourself through the same lens that an agent or acquisitions editor would The Author Training Manual will show you how to get more creative and start looking at your work with those high standards in mind Whether you re writing fiction or non fiction or intend to publish traditionally or self publish author Nina Amir will teach you how to conduct an effective competitive analysis for your work and do a better
