Authorship And Copyright:

The Idea of Authorship in Copyright Lior Zemer, 2017-03-02 As information flows become increasingly ubiquitous in our post digital environment the challenges to traditional concepts of intellectual property and the practices deriving from them are immense The romantic understanding of the lone author as an endless source of new creations has to face these challenges In order to do so this work presents a collectivist model of intellectual property rights The core argument is that since copyright works enjoy profit from significant public contribution they should not be privately owned but considered to be a joint enterprise made real by both the public and author It is argued that every copyright work depends on and is reflective of the author s exposure to externalities such as language culture and the various social events and processes that occur in the public domain therefore copyright works should not be regarded as exclusive private property The study takes its organizing principle from John Locke defining and proving the fatal flaw inherent in debates on copyright on the one hand the copyright community is eager to arm authors with a robust property right over their creation while on the other this community totally ignores the fact that the exposure of the individual to externalities is what makes him or her capable of creating material that is copyrightable Just as Locke was against the absolute authority of kings the expressed view of the study is against the exclusive right an author can claim

Authorship and Copyright David Saunders, 2023-02-28 First published in 1992 *Authorship and Copyright* traces the history of constructions of authorship as a legal reality It offers an alternative to the two mainstream interpretations that have traditionally been assigned to authorship the Romantic dialectical birth of the author or the language based post structuralist death of the author Saunders examines the shortcomings of both schemes by arguing that they impose an arbitrary philosophical direction on the history of authorship and the law of copyright Saunders addresses the issues relating to copyright and the construction of authorship as a legal status Combining information and polemic the author explores such matters as the historical and theoretical relations of copyright and the *droit moral* the aestheticization of the law and the juridification of aesthetics and the argument that authorship as a legal reality is a historically contingent and variable arrangement that cannot be separated from its cultural and juridical context This book will be of interest to students of law literature and philosophy

Of Authors and Origins Brad Sherman, Alain Strowel, 1994 Met lit opg Met reg The contributions are arranged around three themes the examination of the genealogy and relationship between literary property and authorship the examination of the cultural specificity of copyright and an examination of the two main traditions of cultural regulation that is copyright and *droit d auteur*

Developing Authorship and Copyright Ownership Policies Allyson Mower, 2024-01-04 Authorship represents a new area of policy related work within higher education research administration funding agencies and scholarly journal publishing This book offers the unique aspect of combining details on copyright ownership as well as authorship into a single volume on best practices for administrators journal publishers research managers and policy drafters within and outside of higher education

Discover more about the definition of author from data gatherer to writer to inform policy development while understanding the interconnected relationships between authorship copyright ownership and scholarly communication This book will also demonstrate how to develop inclusive and equitable authorship policies that reflect the range of diversity within the research endeavor and scholarly publishing

The Copyright Handbook Stephen Fishman,1996 Writers publishers journalists editors librarians anyone who works with words and who needs to understand copyright law can benefit from the step by step instructions and necessary forms provided in The Copyright Handbook The book includes detailed information on such topics as transfer of copyri ght ownership works for hire fair use and infringement Illustrations

Authors and Owners Mark Rose,1993 The notion of the author as the creator and therefore the first owner of a work is deeply rooted both in our economic system and in our concept of the individual But this concept of authorship is modern Mark Rose traces the formation of copyright in eighteenth century Britain and in the process highlights still current issues of intellectual property Authors and Owners is at once a fascinating look at an important episode in legal history and a significant contribution to literary and cultural history

Copyright, Creativity, Big Media and Cultural Value Kathy Bowrey,2022-04 Copyright Creativity Big Media Cultural Value Incorporating the Author explains why copyright is much more than a creator s private property right or a mechanism through which corporations control cultural production and influence mass consumption choices

Authorship and Copyright Abraham Drassinower,2010

Law Relating to Literary Copyright and the Authorship and Publication of Books Daniel Chamier,1895

Copyright and Collective Authorship Daniela Simone,2019-05-02 Addresses the difficult question of how to determine the authorship and ownership of copyright in highly collaborative works

The Top Books of the Year Authorship And Copyright The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have enthralled audiences this year. Authorship And Copyright : Colleen Hoover "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Authorship And Copyright : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
