

Deacon Training Manual

Introduction from Dr. David C. Little

It is wonderful to be saved! Praise to God for His unspeakable gift. It is a wonder God doesn't take us straight to heaven at the moment of our salvation. He loves us so much and has paid such a price for our salvation that you would think that He would want us to be with Him immediately. But God doesn't do that. He leaves us here to serve.

I served as a pastor for twenty-eight years. They were very good years, and there is nothing as precious as being a shepherd of God's people. In those years, I was spiritually blessed to have wonderful, godly men as deacons. A few of those men were used of God to mold my ministry life, and I will be eternally indebted to them.

When I became the president of Baptist Church Planters (a church planting agency), I determined to give church planters every tool possible to enhance and strengthen the churches they were starting. As missionaries start churches, their purpose is to bring the churches to graduation. To do so, they must have leadership in place, which means a pastor and deacons. Too often, men are put into the office of deacon who have no idea what that necessarily means. I felt it would profit the missionaries and church plants if they had material that could be used to teach qualified men what deacons are and do. Thus, I started this project which I trust will help many churches and will also help men to be used of God as deacons.

It is my prayer that God will use this book to help men be godly servants, and if chosen by the church to be a deacon, will serve as God intended.

Baptist Deaconest Training Manual:

Deaconess Training Manual Larry A. Brookins, 2011-09-14 This is a training manual and workbook to be used in preparing women in the church for the work of a Deaconess

The Biblical Deacon and the Deaconess Combined Training Manuals Bishop Larry A. Brookins, 2020-02-28 This is a combination of my two training manuals The Biblical Deacon and The Deaconess Both are designed to provide training for the church in training men and women for the offices and ministries of Deacon and Deaconess

Deacon Training Kate Ward-Turner, 2008-05 Indifference toward deacon development places the church in a precarious state By and large congregations stand to be weakened by deacons who have not discovered the exciting possibilities of the office When pastor and congregation disregard the need to have trained deacons the office is allowed to recede into one of mere honor rather than service established in Christ On the other hand trained deacons or those in training discover exciting opportunities with which the office of deacons is filled They come to perceive the office as one of service rather than honor The church is strengthened exceedingly by their effective and efficient leadership under the sight of the pastor Unquestionable God is looking for a special breed of deacons a New Testament breed who are Spirit filled and qualified To say that deacons are qualified is to say also that they are trained for the work of deacons

Women Deacons and Deaconesses Charles W. Deweese, 2005 Divided opinion on the topic of this book has caused controversy in Baptist history and life Most Baptist individuals and churches have strongly opposed women deacons Some Baptist associations have even disfellowshipped churches that have approved women deacons And women in general have been suppressed by many recent actions of the Southern Baptist Convention thereby affecting women deacons However thousands of Baptist churches include women in their deacon bodies and find that they make invaluable contributions The book presents arguments on both sides of the topic but lands squarely in support of women deacons

The Jesus Training Manual Richard Mull, 2011-04-19 What happens when you look into the box where you think God is contained and you find He isn't there What happens next may surprise you You will learn how to hear God's voice that God still does miracles that demons are real and how to deal with them and truths about the Kingdom of God healing your spiritual authority spiritual battles and your armor Written by a former traditional Baptist pastor Mull's unique story is one of God destroying religious constraints allowing His people to reel in miracles of healing salvations and supernatural experiences in the presence of God His journey will help you overcome skepticism toss away theological hang ups you once thought were from God and stand solidly on biblical principles This book is filled with amazing real life stories and practical applications of the same things Jesus taught His 12 disciples You will be challenged to believe God is able to do more than you have ever imagined
