McGinley, Melina Alexander, 2017-01-05 *Parents and Families of Students With Special Needs Collaborating Across the Age Span* teaches students the skills they need to effectively collaborate with parents and families to ensure a child's success in the classroom. Authors Vicki A. McGinley and Melina Alexander's text takes a lifespan approach with a special emphasis on the critical transition points in a child's life. Information is provided on what can be seen at each stage of an individual with disabilities' development and addresses concerns and needs that families may have during these unique phases of growth. Chapters written by professors and professionals who are also parents of students with special needs bring a diverse range of voices into the narrative. The authors provide an in-depth discussion of how parents and families are affected by particular disabilities, family system theory, the laws that affect individuals with disabilities, and assessments for individuals with disabilities.

Assessment in Early Childhood Special Education
Stephen J. Hernandez, 2024-11-29 This comprehensive guide to assessment in early childhood special education offers a macro and micro level understanding of the essential processes and activities relevant to the assessment of young children at risk of or having developmental delays or disabilities. The book provides insights into the laws, regulations, processes, culturally and contextually relevant practices and requirements that practitioners need to follow when engaged in assessment, in addition to an extensive overview of current and time-tested assessment tools designed for use by early childhood educators when evaluating young children with developmental challenges. It provides immediate guidance and support to a wide range of individuals engaged in service to young children who may have or are already identified as having a disability. *Assessment in Early Childhood Special Education* is an essential text for pre-service early childhood special educators as well as current practitioners including day care teachers, homebased and center-based certified early childhood special educators, and general education kindergarten through second grade teachers. It should be on the desk of every early childhood educator who works with children who may be or have been identified as being at risk, developmentally delayed, or disabled.

Assessment In Special Education A Practical Approach 4th Edition: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Assessment In Special Education A Practical Approach 4th Edition : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
