Assuming A Body Transgender And Rhetorics Of Materiality:

Assuming a Body Gayle Salamon, 2010 Considering questions of transgendered embodiment via phenomenology psychoanalysis and queer theory Gayle Salamon advances an alternative theory of normative and non normative gender proving the value and vitality of trans experience for thinking embodiment *Neoliberal Rhetorics and Body Politics* Tara Pauliny, 2015-12-17 Neoliberal Rhetorics and Body Politics Plastinate Exhibits as Infiltration uses transnational feminist rhetorical analyses to understand how the global force of neoliberalism infiltrates all parts of life from nation state relationships to individual subject formation Focusing on the hugely popular and profitable exhibits of preserved dissected and posed human bodies and body parts showcased in Body Worlds and BODIES The Exhibition plastinate shows offered by the German anatomist Gunther von Hagens and the US company Premier Exhibitions the book analyzes how these exhibits offer examples of neoliberalism's ideological reach as they also present a pop cultural lens through which to understand the scope of that reach By rhetorically analyzing the details of the exhibits themselves their political and cultural contexts their marketing literature and showcased artifacts and their connection to historical displays of bodies the book articulates how neoliberalism creates a grand narrative while simultaneously permeating daily living As such Neoliberal Rhetorics and Body Politics argues that these public for profit exhibitions offer familiar tangible and rich sites within which to understand neoliberalism's impact beyond the purview of public policy and economics Predicated on the idea that neoliberal practices are not uniform the book not only articulates how neoliberal discourses are embedded in these shows but it also traces the ideological and material consequences of that inculcation It focuses its analysis on the shows rhetorical deployment of necropolitics biopolitics intimacy and affect and details how the exhibits communicate neoliberalism's guiding principles of self reliance individual choice and freedom through market participation In doing so it answers a number of challenges posed by feminist transnational rhetorical studies namely that scholars extend their analyses to understand how information circulates that we pay more attention to the affective aspects of transnational rhetorics and that we recognize how pedagogy functions outside the classroom In attending to these concerns the book ultimately illustrates not only neoliberalism's strong rhetorical force but also reveals its deep cultural infiltration *New Feminist Perspectives on Embodiment* Clara Fischer, Luna Dolezal, 2018-02-16 Despite several decades of feminist activism and scholarship women's bodies continue to be sites of control and contention both materially and symbolically Issues such as reproductive technologies sexual violence objectification motherhood and sex trafficking among others constitute ongoing pressing concerns for women's bodies in our contemporary milieu arguably exacerbated in a neoliberal world where bodies are instrumentalized as sites of human capital This book engages with these themes by building on the strong tradition of feminist thought focused on women's bodies and by making novel contributions that reflect feminists concerns both theoretically and empirically about gender and embodiment in the present context and beyond The collection brings together essays from a variety of feminist scholars who

deploy diverse theoretical approaches including phenomenology pragmatism and new materialisms in order to examine philosophically the question of the current status of gendered bodies through cutting edge feminist theory The Oxford Handbook of Feminist Philosophy Kim Q. Hall, Ásta, 2021 Provides a thorough overview of the history impact and current state of feminist philosophy Eschews overly technical jargon in order to remain accessible to students and those without a strong background philosophy Introduces key debates and issues in feminist philosophy and explores its intersectionality Remains valuable to a readership that extends outside philosophy Book jacket

The Body and Embodiment Frank Chouraqui, 2021-04-07 Perfect for use at advanced undergraduate and graduate level this is the first text to offer students a unified narrative regarding the place of the body in Western thinking The book investigates the ways in which the fact of human embodiment makes the notion of ambiguity central to all major areas of philosophy The body is both active and passive powerful and vulnerable and it provides both access through perception and limitation through localisation As such it fundamentally informs ontological political ethical and epistemological issues The book takes as its starting point the devaluation of the body by philosophers from Plato to Descartes and then focuses on several dimensions of the body as investigated by post Kantian philosophy through a discussion of the intentional body embodied cognition and the politicization of the body The book engages with both the Continental and Anglo American philosophical traditions and includes a broad range of sources and texts The unified approach and clear writing make this lively text accessible to those working in other disciplines such as Anthropology Cultural Studies and Gender Studies

Queering Social Work Education Susan Hillock, Nick J. Mulé, 2017-01-17 Until now there has been a systemic failure within social work education to address the unique experiences and concerns of LGBTQ individuals and communities Queering Social Work Education the first book of its kind in North America responds to the need for theoretically informed inclusive and sensitive approaches in the field This completely original collection of essays combines history and personal narratives with much needed analyses and recommendations It opens with chapters contextualizing LGBTQ history theory and issues It then offers first hand accounts of oppression resistance and celebration Finally it reflects on the current state of social work education and makes essential recommendations for improvement By equipping readers with a new awareness of and sensitivity to queer issues this book contributes positively to the future of social work education research policy and practice

The Epistolary Renaissance Maria Löschnigg, Rebekka Schuh, 2018-09-10 Since the late twentieth century letters in literature have seen a remarkable renaissance The prominence of letters in recent fiction is due in part to the rediscovery by contemporary writers of letters as an effective tool for rendering aspects of historicity liminality marginalization and the expression of subjectivity vis vis an other it is also due however to the artistically challenging inclusion of the new electronic media of communication into fiction While studies of epistolary fiction have so far concentrated on the eighteenth century and on thematic concerns this volume charts the epistolary renaissance in recent literature entering new territory by also focusing on the aesthetic

implications of the epistolary mode In particular the essays in this volume illuminate the potential of the epistolary including digital forms for rendering contemporary sensitivities The volume thus offers a comprehensive assessment of letter narratives in contemporary literature Through its focus on the aesthetic and structural aspects of new epistolary fiction the inclusion of various narrative forms and the consideration of both conventional letters and their new digital kindred The Epistolary Renaissance offers novel insight into a multi faceted re new ed genre *Violent Intimacies* Asli

Zengin,2024-01-02 In *Violent Intimacies* Asl Zengin traces how trans people in Turkey creatively negotiate and resist everyday cisheteronormative violence Drawing on the history and ethnography of the trans communal life in Istanbul Zengin develops an understanding of cisheteronormative violence that expands beyond sex gender and sexuality She shows how cisheteronormativity forms a connective tissue among neoliberal governmentality biopolitical and necropolitical regimes nationalist religiosity and authoritarian management of social difference As much as trans people are shaped by these processes they also transform them in intimate ways Transness in Turkey provides an insightful site for developing new perspectives on statecraft securitization and surveillance family and kin making urban geography and political life Zengin offers the concept of violent intimacies to theorize this entangled world of the trans everyday where violence and intimacy are co constitutive Violent intimacies emerge from trans people s everyday interactions with the police religious and medical institutions street life family and kinship and trans femicides and funerals The dynamic of violent intimacies prompts new understandings of violence and intimacy and the world making struggles of trans people in a Middle Eastern context **The**

Transgender Studies Reader Remix Susan Stryker,Dylan McCarthy Blackston,2022-07-12 The *Transgender Studies Reader Remix* assembles 50 previously published articles to orient students and scholars alike to current directions in the fast evolving interdisciplinary field of transgender studies The volume is organized into ten thematic sections on trans studies engagements with feminist theory queer theory Black studies science studies Indigeneity and coloniality history biopolitics cultural production the posthumanities and intersectional approaches to embodied difference It includes a selection of highly cited works from the two volume *The Transgender Studies Reader* more recently published essays and some older articles in intersecting fields that are in conversation with where transgender studies is today Editors Susan Stryker and Dylan McCarthy Blackston provide a foreword an introduction and a short abstract of each article that taken together document key texts and interdisciplinary connections foundational to the evolution of transgender studies over the past 30 years A handy overview for scholars activists and all those new to the field this volume is also ideally suited for use as a textbook in undergraduate or graduate courses in gender studies [50 Concepts for a Critical Phenomenology](#) Gail Weiss,Gayle

Salamon,Ann V. Murphy,2019-11-15 *Phenomenology* the philosophical method that seeks to uncover the taken for granted presuppositions habits and norms that structure everyday experience is increasingly framed by ethical and political concerns Critical phenomenology foregrounds experiences of marginalization oppression and power in order to identify and transform

common experiences of injustice that render the familiar a site of oppression for many In *Fifty Concepts for a Critical Phenomenology* leading scholars present fresh readings of classic phenomenological topics and introduce newer concepts developed by feminist theorists critical race theorists disability theorists and queer and trans theorists that capture aspects of lived experience that have traditionally been neglected By centering historically marginalized perspectives the chapters in this book breathe new life into the phenomenological tradition and reveal its ethical social and political promise This volume will be an invaluable resource for teaching and research in continental philosophy feminist gender and sexuality studies critical race theory disability studies cultural studies and critical theory more generally
