National Identity and Social Cohesion in a Time of Geopolitical and Economic Tension: Australia - European Union - Slovenia Robert Walters, 2020-02-26 This book aims to enrich the thinking and discussion in relation to the importance that citizenship immigration rights and private laws play in the modern world This is in a time when social cohesion and national identity is being challenged It will explore the impact these laws have had on Australia European Union EU and Slovenia Identity and social cohesion are contested concepts and can invoke different responses The challenges states and the EU are likely to face in retaining and even strengthening their respective identities and social cohesion from continued geopolitical shocks security economic volatility and environmental degradation is likely to be formidable These alone pose some of the most complex political and policy issues facing the world The EU can be held up as a polity that has developed an identity and level of cohesion while allowing member states to retain their national identities It has to date also been successful in managing the rise of nationalism However that has come under threat in recent times Thus the very foundations of liberal democracy could be diluted from the impact of these challenges Moreover the basic foundations of rights have in part already been diluted from the rise of terrorism which is acceptable however the geopolitical differences pose a significant challenge in and of themselves

Australian Media and the Politics of Belonging David Nolan, Karen Farquharson, Timothy Marjoribanks, 2018-03-22 Australian Media and the Politics of Belonging explores mediated debates about belonging in contemporary Australia by combining research that proposes conceptual and historical frameworks for understanding its meaning in the Australian context A range of themes and case studies make the book a significant theoretical resource as well as a much needed update on work in this area Australian Media and the Politics of Belonging also provides an intervention that engages with key contemporary issues questions and problems around the politics of belonging that are relevant not only to academic debate but also to contemporary policy

development and media and popular discussion The Politics of Citizenship in Immigrant Democracies Geoffrey Brahm Levey, Ayelet Shachar, 2017-10-02 This book brings together scholars from various disciplines to explore current issues and trends in the rethinking of migration and citizenship from the perspective of three major immigrant democracies Australia Canada and the United States These countries share a history of pronounced immigration and emigration extensive experience with diasporic and mobile communities and with integrating culturally diverse populations They also share an approach to automatic citizenship based on the principle of jus soli as opposed to the traditionally common jus sanguinis of continental Europe and a comparatively open attitude towards naturalization Some of these characteristics are now under pressure due to the restrictive turn in citizenship and migration worldwide This volume explores the significance of political structures political agents and political culture in shaping processes of inclusion and exclusion in these diverse societies This book was originally published as a special issue of Citizenship Studies New Voices, New Visions Catriona Elder, Keith Moore, 2012-03-15 New Voices New Visions brings together a collection of papers that engage with the ideas of nation identity and place The title New Voices New Visions harks back to earlier scholarship that endeavoured to explore these issues It therefore makes links between old and new stories of Australian identity tracing the continuities shifts and changes in how Australia is imagined The collection is deliberately interdisciplinary gathering work by historians literary and film scholars communication and cultural theorists political scientists and sociologists This mixed perspectives enables the reader to trace ideas concepts and theories across a range of disciplines and understand the distinctive ways in which different disciplines engage with ideas of nation space and Australian identity The book is written in an engaging and accessible manner making it an excellent text for undergraduate and postgraduate students in the fields of Australian Studies It will be especially useful for the growing number of students living outside Australia who engage with Australian literature and culture The book provides a range of topics that introduces students to key issues and concepts It also situates these ideas in historical context New Voices New Visions engages with key contemporary issues in everyday Australian life environment and climate change immigration consumerism travel and cities It explores these various topics by considering case studies both contemporary and historical For example the issue of attitudes to Asia are analysed through art the topic of national symbols through the case of the crocodile approaches to immigration via a popular reality television programme The contributors to this book comprise some of the foremost Australian scholars as well as emerging scholars This combination ensures a depth of knowledge but also a vibrancy The editors are experienced scholars whose knowledge of the field is broad and they have brought a coherence to the material ensuring a strong narrative for the reader From Migrant to Citizen: Testing Language, Testing Culture C. Slade, M. Möllering, 2010-05-28 In this impressive volume a combination of theorists linguists historians and lawyers address the subject of citizenship testing for language proficiency and cultural knowledge Discussing themes of identity and cultural belonging they draw out the implications for Australia and the wider international

community *Anti-racist Discourse on Muslims in the Australian Parliament* Jennifer E. Cheng, 2017-11-15 Anti racist Discourse on Muslims in the Australian Parliament examines anti racist discourse in contemporary Australian politics in particular how politicians contest and challenge racism against a minority group that does not constitute a traditional race Using critical discourse analysis this book firstly deconstructs the racist xenophobic and discriminatory arguments against Muslims Secondly it highlights the anti racist counter discourse to these arguments Since blatantly racist statements are less common nowadays the book focuses on manifestations of culturalist racism It does this by investigating how talk about Muslims positions them as not Australian or as not belonging to Australia the book takes such discursive exclusion from the nation as one of the most widespread forms of culturalist racism in Western liberal democracies In addition to contributing to the theoretical discussion on the relationship between Muslims racism and anti racism the book expands on methods that apply critical discourse analysis and the discourse historical approach by providing a practical guide to analysing anti racist political discourses Law and Democracy Glenn Patmore, Kim Rubenstein, 2014-12-24 Law and Democracy Contemporary Questions provides a fresh understanding of law s regulation of Australian democracy The book enriches public law scholarship deepening and challenging the current conceptions of law s regulation of popular participation and legal representation The book raises and addresses a number of contemporary questions about legal institutions principles and practices How should the meaning of the people in the Australian Constitution be defined by the High Court of Australia How do developing judicial conceptions of democracy define citizenship What is the legal right to participate in the political community Should political advisors to Ministers be subject to legal accountability mechanisms What challenges do applied law schemes pose to notions of responsible government and how can they be best addressed How can the study of the ritual of electoral politics in Australia and other common law countries supplement the standard account of democracy How might the ritual of the pledge of Australian citizenship limit or enhance democratic participation What is the conflict between legal restrictions of freedom of expression and democracy and the role of social media Examining the regulation of democracy this book scrutinises the assumptions and scope of constitutional democracy and enhances our understanding of the frontiers of accountability and responsible government In addition key issues of law culture and democracy are revealed in their socio legal context The book brings together emerging and established scholars and practitioners with expertise in public law It will be of interest to those studying law politics cultural studies and contemporary history **Multiculturalism in the British Commonwealth** Richard T. Ashcroft, Mark Bevir, 2019-07-12 At publication date a free ebook version of this title will be available through Luminos University of California Press s Open Access publishing program Visit www.luminosoa.org to learn more Multiculturalism as a distinct form of liberal democratic governance gained widespread acceptance after World War II but in recent years this consensus has been fractured Multiculturalism in the British Commonwealth examines cultural diversity across the postwar Commonwealth situating modern multiculturalism in its national international and historical

contexts Bringing together practitioners from across the humanities and social sciences to explore the legal political and philosophical issues involved these essays address common questions What is postwar multiculturalism Why did it come about How have social actors responded to it In addition to chapters on Australia Britain Canada and New Zealand this volume also covers India Malaysia Nigeria Singapore and Trinidad tracing the historical roots of contemporary dilemmas back to the intertwined legacies of imperialism and liberalism In so doing it demonstrates that multiculturalism has implications that stretch far beyond its current formulations in public and academic discourse **Interculturalism at the crossroads** Mansouri, Fethi, 2017-05-08
