Reference and Information Services Kay Ann Cassell, Uma Hiremath, 2013 Search skills of today bear little resemblance to searches through print publications Reference service has become much more complex than in the past and is in a constant state of flux Learning the skill sets of a worthy reference librarian can be challenging unending rewarding and yes fun

A Media Framing Approach to Securitization Fred Vultee, 2022-10-14 Presenting securitization as a communication issue this book combines media framing with the theory of securitization to explain how the discourse of security informs media content and what happens to policy and public understanding when it does Because securitization studies the construction of threats to societal structures as well as political institutional structures this book addresses security framing as a question of identity and the ability of political cultural elites and media actors to manipulate it After setting out how its theories work together the book turns to news and its effects How do media accounts make empirical sense of the world when they are bound by the

need to make social cultural sense first How does security look in competing news accounts and how do securitizing frames affect attitudes toward policies and political elites Last the book asks how academics and professionals can address the challenges to a democratic public's role in decision making created by the manipulation of security Bringing together distinct fields within communication studies to reflect on the pressing issue of securitization this book will be a key resource for scholars and students working in the fields of mass communication policy studies critical linguistics and international relations as well as risk and crisis communication

Content Strategy at Work Margot Bloomstein, 2012-01-25 Content is king and the new kingmaker and your message needs to align with your model and metrics and other mumbo jumbo right Whether you're slogging through theory or buzzwords there's no denying content strategy is coming of age But what's in it for you And if you're not a content strategist why should you care Because even if content strategy isn't your job content's probably your problem and probably more than you think You or your business has a message you want to deliver right You can deliver that message through various channels and content types from Tweets to testimonials and photo galleries galore and your audience has just as many ways of engaging with it So many ways so much content so where's the problem That is the problem And you can measure it in time creativity money lost opportunity and the sobs you hear equally from creative directors project managers and search engine marketing specialists The solution is content strategy and this book offers real world examples and approaches you can adopt no matter your role on the team Put content strategy to work for you by gathering this book into your little hands and gobbling up never before seen case studies from teams at Johns Hopkins Medicine MINI Icebreaker and more Content Strategy at Work is a book for designers information architects copywriters project managers and anyone who works with visual or verbal content It discusses how you can communicate and forge a plan that will enable you your company or your client get that message across and foster better user experiences Presents a content strategy framework and ways to implement in both in house marketing departments and consultancies Includes case studies interviews and lessons learned from retail apparel network television business to business automotive non profit and higher ed brands Details practical sales techniques to sell content strategy and use content strategy processes to sell other services and larger projects

American Film and Society since 1945 Leonard Quart, Albert Auster, 2018-04-19 From Steven Spielberg's Lincoln to Clint Eastwood's American Sniper this fifth edition of this classic film study text adds even more recent films and examines how these movies depict and represent the feelings and values of American society One of the few authoritative books about American film and society American Film and Society since 1945 combines accessible fun to read text with a detailed insightful and scholarly political and social analysis that thoroughly explores the relationship of American film to society and provides essential historical context The historical overview provides a capsule analysis of both American and Hollywood history for the most recent decade as well as past eras in which topics like American realism Vietnam counterculture revolutions and 1960s films and Hollywood depictions of big business like Wall Street are covered

Readers will better understand the explicit and hidden meanings of films and appreciate the effects of the passion and personal engagement that viewers experience with films This new edition prominently features a new chapter on American and Hollywood history from 2010 to 2017 giving readers an expanded examination of a breadth of culturally and socially important modern films that serves student research or pleasure reading The coauthors have also included additional analysis of classic films such as *To Kill a Mockingbird* 1962 and *A Face in the Crowd* 1957

Mediatization and Sociolinguistic Change Jannis Androutsopoulos, 2014-09-04 This is the first volume to focus on the role of media in processes of linguistic change one of the most contested issues in contemporary sociolinguistics Its 17 chapters and five section commentaries present cutting edge research from variationist and interactional sociolinguistics media linguistics language ideology research and minority language studies The volume advances our understanding of linguistic change in a mediatized world in three ways First it introduces the notions of sociolinguistic change and mediatization to create a broader theoretical framing than the one offered by the media and language change Second it takes the discussion beyond the notions of influence and effect and the binary distinction of media vs community language Third it examines the relation of sociolinguistic change and mediatization and from five complementary viewpoints media influence on linguistic structure media engagement in interaction change in mass and new media language language ideological change and the role of media for minority languages Bringing these strands of sociolinguistic scholarship together this volume examines their shared references and common lines of thinking

American Journalism Review ,2012

Punctuation Revisited Richard Kallan, 2020-03-25 Punctuation Revisited is an advanced comprehensive guide to the importance of punctuation in conveying meaning and augmenting the power of a message Richard Kallan provides guidance on how to structure sentences accurately and in a manner that enhances their readability and rhetorical appeal This book discusses in fine detail not just when and how to employ specific punctuation marks but the rationale behind them It also notes when the major academic style manuals differ in their punctuation advice These unique features are designed to benefit beginning intermediate and advanced students of standard punctuation practice Punctuation Revisited is a wonderful resource for students of composition and writing an essential read for writing center tutors and faculty as well as the perfect addition to anyone s professional library

Semantic Plurality Laure Gardelle, 2019-11-07 This monograph proposes a comparative approach to all the ways of denoting more than one entity from collective and aggregate nouns with the first ever typology to count plurals partly substantivised adjectives and conjoined NPs This semantic feature approach to plurality which cuts across number the count non count distinction and lexical NP levels reveals a very consistent Scale of Unit Integration which establishes clear cut boundaries for collective nouns and accommodates cases such as three elephant cattle or a chain of islands The study also offers a refined understanding of aggregate nouns a category nearly as large as that of collective nouns and quantification in pseudo partitives develops Guillaume s notion of internal plurality and proposes the innovative

concept of hyperonyms of plural classes e.g. furniture The Animacy Hierarchy is also found to be influential beyond hybrid agreement The book aims to be accessible to scholars of any theoretical background interested in these topics
