Apercus The Aphorisms Of Mignon McLaughlin:

Apercus Mignon McLaughlin, 2014-06 Mignon McLaughlin 1913 1983 was a short story writer and playwright with a rapier wit and an acerbic take on love marriage and friendship Her aphorisms published between 1958 and 1966 will appeal to everyone who appreciates this aristocratic subversive genre Not all of the collection consists of aphorisms strictly speaking some are simply reflections brutally honest as they are clever on McLaughlin's own fears and foibles *Apercus* is truly an autobiography in epigrams No one has ever loved anyone the way everyone wants to be loved In the arithmetic of love one plus one equals everything and two minus one equals nothing For most of us desire exceeds desirability and long outlives it Insult not flattery is the great aphrodisiac It's innocence when it charms us ignorance when it doesn't Affairs are as disillusioning as marriage and much less restful Of course no one is as sensitive as you but try to remember that they think they are

Seeing Through the Grief Rosemary K.M. Sword, Philip G. Zimbardo, 2024-04-04 When we experience a great loss our despair can be so intense that we get stuck oftentimes facing backwards reliving painful experiences that may leave us feeling stranded in the past We can find ourselves living day to day on autopilot going through the motions while in the back of our minds we might think we don't deserve to be happy anymore When we try to look at the future whatever plans we had made prior to our loss now seem impossible to achieve If this sounds familiar Time Perspective Therapy TPT is designed to help it provides simple tools to turn your perspective from dark to light from negative to positive This book dives deep into the many facets of grief from depression and caregiver stress to reestablishing relationships that may have fallen to the wayside and making plans for your new and different future Through real life intimate stories of those who have suffered loss and grown from the experience and easy to do exercises it is designed to help you learn how TPT can help you cherish the past enjoy the present move toward a new and brighter future and live a fulfilling meaningful life
