As the leader of the Beach Boys, he sold 100 million records and built a catalog of songs that continues to define the sound and feel of American popular music. He also became one of the culture's most mysterious and tragic figures, but after spending years lost in a wilderness of despair, Wilson has fought his way back to productivity. Now, journalist Carlin, who conducted in-depth interviews with dozens of sources and listened to hundreds of hours of unreleased studio recordings and live music, tells a uniquely American story of the band, the music, and the culture the Beach Boys both sang about and helped create. Hansard, 2024-10-16 Your guide to the remarkable history and ongoing popularity of cider in the Commonwealth. A cultural phenomenon with surprisingly deep roots, cider has been one of Virginia's favorite beverages for more than four hundred years, representing a time-honored ingredient of the cultural heritage that the first English settlers brought with them to America. Since the seventeenth century, apple orchards have been a fixture of the farming landscape, and cider was made and consumed by almost everyone—men, women, and children—of all socioeconomic orders throughout the state's history. Recent decades have witnessed a renaissance of cider culture and cultivation, and today cider making is a thriving craft beverage industry, gaining ever greater numbers of enthusiasts and connoisseurs as more and more cideries spring up every year.
