Karen J. Johnson, Jonathan M. Yeager

Asian Religions In America A Documentary History:

Asian Religions in America Thomas A. Tweed, Stephen R. Prothero, 1999 This book traces the American encounter with Asian religions through historical documents and writings from the late 18th century to the present and including works from Bruce Lee John Lennon Amy Tan Frederick Douglass and Tan Nhat Hanh

A Documentary History of Religion in America Edwin Scott Gaustad, Mark A. Noll, Heath W. Carter, 2018 Students and scholars have long turned to the two volume Documentary History of Religion in America for access to the most significant primary sources relating to American religious history Published here in a single volume for the first time the work in this fourth edition has been both updated and condensed allowing instructors to more easily use the material in one semester

A Documentary History of Religion in America Since 1877 Edwin S. Gaustad, Mark A. Noll, 2003-09-19 A richly variegated selection of short documents illustrative of the history of religion in America The best source book available to contemporary students and general readers

Asian American Religions Tony Carnes, Fenggang Yang, 2004-05 Redraws old definitions of what it means to be religious and Asian American

Asian American History and Culture: An Encyclopedia Huping Ling, Allan W. Austin, 2015-03-17 With overview essays and more than 400 A Z entries this exhaustive encyclopedia documents the history of Asians in America from earliest contact to the present day Organized topically by group with an in depth overview essay on each group the encyclopedia examines the myriad ethnic groups and histories that make up the Asian American population in the United States Asian American History and Culture covers the political social and cultural history of immigrants from East Asia Southeast Asia South Asia the Pacific Islands and their descendants as well as the social and cultural issues faced by Asian American communities families and individuals in contemporary society In addition to entries on various groups and cultures the encyclopedia also includes articles on general topics such as parenting and child rearing assimilation and acculturation business education and literature More than 100 images round out the set

A Companion to American Religious History Benjamin E. Park, 2021-01-26 A collection of original essays exploring the history of the various American religious traditions and the meaning of their many expressions The Blackwell Companion to American Religious History explores the key events significant themes and important movements in various religious traditions throughout the nation s history from pre colonization to the present day Original essays written by leading scholars and new voices in the field discuss how religion in America has transformed over the years explore its many expressions and meanings and consider religion s central role in American life Emphasizing the integration of religion into broader cultural and historical themes this wide ranging volume explores the operation of religion in eras of historical change the diversity of religious experiences and religion s intersections with American cultural political social racial gender and intellectual history Each chronologically organized chapter focuses on a specific period or event such as the interactions between Moravian and Indigenous communities the origins of African American religious institutions Mormon settlement in Utah social reform movements

during the twentieth century the growth of ethnic religious communities and the rise of the Religious Right An innovative historical genealogy of American religious traditions the Companion Highlights broader historical themes using clear and compelling narrative Helps teachers expose their students to the significance and variety of America's religious past Explains new and revisionist interpretations of American religious history Surveys current and emerging historiographical trends Traces historical themes to contemporary issues surrounding civil rights and social justice movements modern capitalism and debates over religious liberties Making the lessons of American religious history relevant to a broad range of readers The Blackwell Companion to American Religious History is the perfect book for advanced undergraduate and graduate students in American history courses and a valuable resource for graduate students and scholars wanting to keep pace with current historiographical trends and recent developments in the field

Understanding and Teaching Religion in US History

Karen J. Johnson, Jonathan M. Yeager, 2024-06-18 Religion is deeply embedded in American history and one cannot understand American history's broad dynamics without accounting for it Without detailing the history of religions teachers cannot properly explain key themes in US survey courses such as politics social dynamics immigration and colonization gender race or class From early Native American beliefs and practices to European explorations of the New World to the most recent presidential elections religion has been a significant feature of the American story In *Understanding and Teaching Religion in US History* a diverse group of eminent historians and history teachers provide a practical tool for teachers looking to improve history instruction at the upper level secondary and undergraduate level This book offers a breadth of voices and approaches to teaching this crucial part of US history Religion can be a delicate topic especially in public education and many students and teachers bring strongly held views and identities to their understanding of the past The editors and contributors aim to help the reader see religion in fresh ways to present sources and perspectives that may be unfamiliar and to suggest practical interventions in the classroom that teachers can use immediately

The Business Turn in American Religious History Amanda Porterfield, Darren Grem, John Corrigan, 2017-07-19 Business has received little attention in American religious history although it has profound implications for understanding the sustained popularity and ongoing transformation of religion in the United States This volume offers a wide ranging exploration of the business aspects of American religious organizations The authors analyze the financing production marketing and distribution of religious goods and services and the role of wealth and economic organization in sustaining and even shaping worship charity philanthropy institutional growth and missionary work Treating religion and business holistically their essays show that American religious life has always been informed by business practices Laying the groundwork for further investigation the authors show how American business has functioned as a domain for achieving religious goals Indeed they find that religion has historically been more powerful when interwoven with business Chapters on Mormon enterprise Jewish philanthropy Hindu gurus Native American casinos and the wedding of business wealth to conservative Catholic social teaching

demonstrate the range of new studies stimulated by the business turn in American religious history Other chapters show how evangelicals joined neo liberal economic practice and right wing politics to religious fundamentalism to consolidate wealth and power and how they developed marketing campaigns and organizational strategies that transformed the American religious landscape Included are essays exposing the moral compromises religious organizations have made to succeed as centers of wealth and influence and the religious beliefs that rationalize and justify these compromises Still others examine the application of business practices as a means of sustaining religious institutions and expanding their reach and look at controversies over business practices within religious organizations and the adjustments such organizations have made in response Together the essays collected here offer new ways of conceptualizing the interdependence of religion and business in the United States establishing multiple paths for further study of their intertwined historical development

The Blackwell Companion to Religion in America Philip Goff, 2010-03-25 This authoritative and cutting edge companion brings together a team of leading scholars to document the rich diversity and unique viewpoints that have formed the religious history of the United States A groundbreaking new volume which represents the first sustained effort to fully explain the development of American religious history and its creation within evolving political and social frameworks Spans a wide range of traditions and movements from the Baptists and Methodists to Buddhists and Mormons Explores topics ranging from religion and the media immigration and piety though to politics and social reform Considers how American religion has influenced and been interpreted in literature and popular culture Provides insights into the historiography of religion but presents the subject as a story in motion rather than a snapshot of where the field is at a given moment

Religion and American Cultures Gary Laderman, Luis León, 2014-12-17 This four volume work provides a detailed multicultural survey of established as well as new American religions and investigates the fascinating interactions between religion and ethnicity gender politics regionalism ethics and popular culture This revised and expanded edition of Religion and American Cultures Tradition Diversity and Popular Expression presents more than 140 essays that address contemporary spiritual practice and culture with a historical perspective The entries cover virtually every religion in modern day America as well as the role of religion in various aspects of U S culture Readers will discover that Americans aren't largely Protestant Catholic or Jewish anymore and that the number of popular religious identities is far greater than many would imagine And although most Americans believe in a higher power the fastest growing identity in the United States is the nones those Americans who elect none when asked about their religious identity thereby demonstrating how many individuals see their spirituality as something not easily defined or categorized The first volume explores America's multicultural communities and their religious practices covering the range of different religions among Anglo Americans and Euro Americans as well as spirituality among Latino African American Native American and Asian American communities The second volume focuses on cultural aspects of religions addressing topics such as film Generation X public sacred spaces sexuality and new religious

expressions The new third volume expands the range of topics covered with in depth essays on additional topics such as interfaith families religion in prisons belief in the paranormal and religion after September 11 2001 The fourth volume is devoted to complementary primary source documents

Asian Religions In America A Documentary History Introduction

In the digital age, access to information has become easier than ever before. The ability to download Asian Religions In America A Documentary History has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Asian Religions In America A Documentary History has opened up a world of possibilities. Downloading Asian Religions In America A Documentary History provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Asian Religions In America A Documentary History has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Asian Religions In America A Documentary History. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Asian Religions In America A Documentary History. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Asian Religions In America A Documentary History, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Asian Religions In America A Documentary History has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers.

worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Asian Religions In America A Documentary History Books

1. Where can I buy Asian Religions In America A Documentary History books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
