Apocalypse And The Writings On Revelation Apocalypse And The Writings On Revelation:

Apocalypse and the Writings on Revelation D. H. Lawrence, 1995 Apocalypse is D H Lawrence s last book written during the winter of 1929 30 when he was dying It is a radical criticism of our civilisation and a statement of Lawrence s unwavering belief in man s power to create a new heaven and a new earth Ranging over the entire system of his thought on God and man on religion art psychology and politics this book is Lawrence s final attempt to convey his vision of man and the universe Apocalypse was published after Lawrence s death and in a highly inaccurate text This edition is the first to reproduce accurately Lawrence s final corrected text on the basis of a thorough examination of the surviving manuscript and typescript In the introduction the editor has discussed the writing of Apocalypse and its place in Lawrence s works its publication and reception and the significance of Lawrence s other writings on the Book of Revelation Apocalypse and the Writings on Revelation D. Revelation and the Apocalypse in Late Medieval Literature Justin M. Byron-Davies, 2020-02-01 The book will equip the reader with a stronger understanding of the religious and historical background to these late medieval texts It will provide insight into the influence of the biblical Apocalypse upon the literature of the period in a systematic way Importantly by treating the writings of Julian of Norwich and William Langland as contemporaneous the book balances the female and male approaches to and engagement with the biblical Apocalypse **Essays on Revelation** Gerald L. Stevens, 2011-01-01 The book of Revelation perennially provokes outlandish futurist predictions proven patently false over time Such prophecy failures leave the inquiring mind with a strong sense that the book of Revelation is nothing but a hoax safely ignored and without contemporary relevance The inevitable practical result not only for church members but for their ministers as well is a canonical book stripped bare of canonical authority In this volume six contributors collectively attempt to provide a path toward recanonicalizing Revelation reclaiming its authority and relevance through christological foundations The result is a book not only useful in the collegiate and seminary classroom but also for serious small group Bible studies wanting to glean from Revelation something deeper than a fear of being left behind Apocalypse D.H. Lawrence, 1974 **Mysterious Apocalypse** Arthur W. Wainwright, 2001-03-13 No part of the Bible is more controversial than the book of Revelation or as it

is often called the Apocalypse For eighteen hundred years it has given rise to conflicting interpretations and in the late twentieth century it is as controversial as ever Johannine Writings and Apocalyptic Stanley E. Porter, Andrew K. Gabriel, 2013-09-15 Johannine Writings and Apocalyptic provides a wide ranging and thorough annotated bibliography for John s Gospel the Johannine letters Revelation and apocalyptic writings pertinent to these books More inclusive than many other bibliographies this volume provides reference to over 1300 individual entries often including references to multiple works with a given description Annotations are designed to provide guidance to a wide range of readers from students wishing to gain entry to the subject to graduate students engaging in research to professors needing ready access to useful materials The volume is topically organized and indexed for easy access The Book of Revelation G. K. Beale, 1999 This monumental new study of the book of Revelation part of The New International Greek Testament Commentary will be especially helpful to scholars pastors students and others who wish to interpret the Apocalypse for the benefit of the church
