Freddie Flintoff: Coming Home Andrew Flintoff, 2025-10-09 THIS AUTUMN'S MUST HAVE AUTOBIOGRAPHY A split second decision is all it takes A decision that can change the course of a cricket match Maybe even the course of your life In Coming Home Freddie Flintoff zeroes in on the crucial moments that made him some highly celebrated others less well known away from the cameras but all pivotal in shaping the man he is As a boy growing up in Preston Fred fell in love with the game of cricket It gave him his route through life out on the pitch he felt at home Through his eyes we see him picking up a bat for the first time his early years on the field that incredible performance to win the Ashes against the Aussies in 2005 face downs with rivals run ins with the media the doctors telling him he can't continue to play On and off the pitch in and out of the spotlight Fred tells the whole story After retiring Fred thought he'd left the game behind relaunching himself in the world of entertainment but following the car crash that turned his life upside down it was cricket to which he returned Coming Home is a reflection on a unique life a story like no other and a love letter to the game that made him Honest open reflective and funny like the man himself this is Freddie Flintoff in full in his own words

The Bowler's Holding, the Batsman's Willey Geoff Tibballs, 2010-12-15 He dribbles a lot and the opposition doesn't like it you can see it all over their faces Ron Atkinson Rugby is a good occasion for keeping thirty bullies far from the city centre Oscar Wilde Whether over the moon or sick as a parrot sportsmen and women can invariably be relied upon to come out with a humorous quote even if it's not always intentional The Bowler's Holding The Batsman's Willey provides the definitive collection of sporting wit from participants and observers alike The book covers the full gamut of the sports spectrum and provides over 4 000 side splittingly funny quotes some examples of incisive sporting wit others inadvertent howlers never to be forgotten ranging from the cutting remarks of Brian Clough and Muhammad Ali to the studied observations of John Arlott

500-1: The Miracle of Headingley '81 Rob Steen, Alastair McLellan, 2011-11-16 No season exerts a grip on the hearts of English cricket followers quite like the summer of 1981 For the first time in a generation the whole country was transfixed by a Test series What made it all the more remarkable was that the fortunes of the national team not to mention those of the game in general and the country itself seemed at rock bottom During the course of an Ashes series that shifted from the mundane to the fantastical with breathtaking speed the third Test at Headingley proved to be the turning point Amid record unemployment and the worst outbreak of civil unrest in a century England 500 1 against at one stage odds taken by two members of the Australian team achieved the most improbable sporting triumph of the 20th century mounting a dramatic comeback to beat Australia by 18 runs The names of Ian Botham Bob Willis and Mike Brearley duly became forever entwined with what readers of the Observer recently voted Most Memorable Sporting Moment 500 1 recreates the match with the aid of those who were there players officials groundstaff spectators and media while placing events in their full context tracing a timeless tale in rich vivid and unprecedented detail As the thirtieth anniversary approaches 500 1 The Miracle of Headingley has been fully updated to reflect the impact that Test had on the game and those who watched it at a time of struggle in both the game and society as a whole

The Plan: How Fletcher and Flower Transformed English Cricket Steve James, 2012-05-24 In 1999 England slumped to a new low in their tumultuous cricket history Defeat at home by a mediocre New Zealand team saw them fall to the bottom of the world Test rankings below even Zimbabwe Yet only just over a decade later England reached the top It was a remarkable and profound transformation brought about largely by two men with an insatiable desire to succeed Duncan Fletcher and Andy Flower In The Plan Steve James tells the story of the renaissance of English cricket from a unique perspective As the former batting partner of ECB managing director Hugh Morris a player under Fletcher at Glamorgan and Flower s closest confidant in the press corps James is the perfect analyst of this period in cricket history From crucial choices of captain to innovative coaching and a complete overhaul of training and preparation for matches it is the tale of a refusal to be second best And in examining Fletcher and Flower s background in Zimbabwe where James himself played he uncovers the continental shift behind the turnaround It is the story of how English steel was melded with African fire to create the most potent combination in world cricket
