Crisis Event

Identify and describe briefly the crisis situation:

Jordan arrives with a friend reporting her husband, Jake departed home with a rifle this

morning. Jordan reports she and Jake argued the previous evening over Jake's excessive drinking and he backed her up against the kitchen counter. While he did not directly threaten Jordan with violence, Jordan is still very fearful for her safety as well as Jake's safety.

Affective Domain

Identify and describe briefly the affect that is present. (If more than one affect is experienced, rate with number 1 being primary, number 2 secondary, number 3 tertiary.)

Anger/Hostility

Anxiety/Fear

1. Jordan states three times throughout the scenario that she is afraid for her safety as well as Jake's safety. She does not understand why he took his rifle with him this morning without saying a word to her and she has no knowledge of a planned hunting trip. Even though they argued the night prior and Jake backed her up into the kitchen counter and verbally assaulted her, Jordan discusses her situation in tears and repeatedly looking at the door as if she expects Jake to come through it at any moment.
