

HOWARD AKLER

MEN OF ACTION

Action Exploded Views Howard Akler

Amanda Leduc

Action Exploded Views Howard Akler:

Men of Action Howard Akler, 2015-11-16 SHORTLISTED FOR THE 2016 TORONTO BOOK AWARDS The problem of consciousness may just be a semantic one The brain absorbs a sea of sensory input the tiniest fraction of which reaches the shore of our awareness We pay attention to what is most novel most necessary at the time At its most reductive the word consciousness refers to the synchronized firing of neurons across multiple areas of the brain the mental experience of attending But should consciousness be summed up simply by its subconscious mechanism I would prefer a more imaginative answer After his father Saul undergoes brain surgery and slips into a coma Howard Akler begins to reflect on Saul's life the complicated texture of consciousness and Akler's struggles with writing and his own unpredictable mind With echoes of Paul Auster's *The Invention of Solitude* and Philip Roth's *Patrimony* *Men of Action* treads the line between memoir and meditation and is at once elegiac spare and profoundly intimate Howard Akler is the author of *The City Man* which was nominated for the Amazon First Novel Award the City of Toronto Book Award and the Commonwealth Writers Prize He lives in Toronto Ontario

Disfigured Amanda Leduc, 2020-02-11 A CBC BOOKS BEST NONFICTION OF 2020 AN ENTROPY MAGAZINE BEST NONFICTION 2020 21 A NEW YORK PUBLIC LIBRARY BOOK OF THE DAY 07 23 2022 Fairy tales shape how we see the world so what happens when you identify more with the Beast than Beauty If every disabled character is mocked and mistreated how does the Beast ever imagine a happily ever after Amanda Leduc looks at fairy tales from the Brothers Grimm to Disney showing us how they influence our expectations and behaviour and linking the quest for disability rights to new kinds of stories that celebrate difference Historically we have associated the disabled body image and disabled life with an unhappy ending Sue Carter Toronto Star Leduc persuasively illustrates the power of stories to affect reality in this painstakingly researched and provocative study that invites us to consider our favorite folktales from another angle Sara Shreve Library Journal She Leduc argues that template is how society continues to treat the disabled rather than making the world accessible for everyone the disabled are often asked to adapt to inaccessible environments Ryan Porter Quill Quire Read this smart tenacious book The Washington Post A brilliant young critic named Amanda Leduc explores this pernicious power of language in her new book *Disfigured* Leduc follows the bread crumbs back into her original experience with fairy tales and then explores their residual effects Read this smart tenacious book The Washington Post Leduc investigates the intersection between disability and her beloved fairy tales questioning the constructs of these stories and where her place is as a disabled woman among those narratives The Globe and Mail It gave me goosebumps as I read to see so many of my unexpressed half formed thoughts in print My highlighter got a good workout BookRiot *Disfigured* is not just an eye opener when it comes to the Disney princess crew and the Marvel universe this thin volume provides the tools to change how readers engage with other kinds of popular media from horror films to fashion magazines to outdated sitcom jokes Quill Quire It's an essential read for anyone who loves fairy tales BuzzFeed Books Leduc makes one thing clear and beautifully so

fairy tales are fundamentally fantastic but that doesn't mean that they are beyond reproach in their depiction of real issues and identities Shrapnel Magazine As Leduc takes us through these fairy tales and the space they occupy in the narratives that we construct she slowly unfolds a call to action the claiming of space for disability in storytelling The Globe and Mail A provocative beginning to a thoughtful and wide ranging book one which explores some of the most primal stories readers have encountered and prompts them to ponder the subtext situated there all along LitHub a poignant and informative account of how the stories we tell shape our collective understanding of one another BookMarks What happens when we allow disabled writers to tell stories of disability within fairytales and in magical and supernatural settings It is a reimagining of the fairytale canon we need Leduc dares to dream of a world that most stories envision is unattainable Bitch Media

Verbal Behavior Burrhus Frederic Skinner, 1957 Book in which Skinner inspects human behavior describing linguistics

Unveiling the Power of Verbal Beauty: An Mental Sojourn through **Action Exploded Views Howard Akler**

In a world inundated with monitors and the cacophony of immediate conversation, the profound power and mental resonance of verbal artistry often fade into obscurity, eclipsed by the regular barrage of noise and distractions. Yet, located within the musical pages of **Action Exploded Views Howard Akler**, a interesting work of literary splendor that pulses with raw feelings, lies an remarkable trip waiting to be embarked upon. Published with a virtuoso wordsmith, that exciting opus courses viewers on a mental odyssey, delicately exposing the latent possible and profound affect stuck within the delicate internet of language. Within the heart-wrenching expanse with this evocative analysis, we can embark upon an introspective exploration of the book is main subjects, dissect their charming publishing fashion, and immerse ourselves in the indelible effect it leaves upon the depths of readers souls.
