Barefoot Doctor's Manual Hunan Zhong yi yao yan jiu suo. Ge wei hui, 1974 *A Barefoot Doctor's Manual*, 1974

Mental Health Providers Guide To Managed Care Leonard Reich, Andrew Kolbasovsky, 2006 For both patients and providers the words managed care are loaded with negative connotations synonymous with inefficiency and bureaucracy

Forced to perform a delicate balancing act of offering the best possible care for their clients while carefully adhering to various managed care policies and procedures providers in particular often wince at the prospect of having to deal with managed care companies or MCOs. Fearing burdensome paperwork, low reimbursement rates and denials of care, it's not surprising that a number of mental health professionals choose to limit their involvement with managed care companies or eliminate it altogether. My clients are all on different health plans; how can I keep the policies straight? Getting services approved is so time consuming that I'm better off accepting only self-paying clients, aren't I? Do the benefits of working with MCOs really outweigh the drawbacks? The answer, according to two industry insiders, is yes. If you know how to work with the system, the system can work for you. *Mental Health Provider's Guide to Managed Care* is the first handbook of its kind to offer clinicians a window into the inner workings of MCOs. Authors Reich and Kolbasovsky candidly draw on their combined 37 years' experience in the field to walk readers through all the major elements of how to successfully work within the system: marketing yourself and your practice to an MCO; getting onto a MCO's network; maintaining a good relationship and communicating with MCOs for quick service approval; reducing your liability; understanding your rights and responsibilities; getting paid; and more. Every issue, big and small, is covered, from capitation versus fee-for-service payment arrangements to evaluating which MCOs are a good fit to join and everything in between. After explaining how to work with the system, the authors reveal how to put the system to work for you. Tips for building your practice through referrals, generating business through doctor collaboration, and understanding future practice opportunities are all covered. By demystifying the complexities of managed care and offering a unique inside view of the process, this book mitigates the negative connotations associated with MCOs and exposes the hidden benefits of a seemingly burdensome process. Exceedingly reader-friendly and packed with insightful tips and vignettes, *Mental Health Provider's Guide to Managed Care* is one clinician's guide you won't want to be without.

Infantile Paralysis, Physician's Manual Sidney Older Levinson, Philip Lewin, 1942 Hooper's Physician's Vade Mecum, Or, A Manual of the Principles and Practice of Physic Robert Hooper, 1856 A Barefoot Doctor's Manual Hunan Zhong yi yao yan jiu suo. Ge wei hui, 1981 **Hooper's Physician's Vade Mecum: a Manual of the Principles and Practice of Physic: with an Outline of General Pathology, Therapeutics and Hygiene** Robert Hooper (M.D.), 1874 **Federal Black Lung Program Provider Manual**, 1990 *Physician's Guide* United States. Veterans Administration. Department of Medicine and Surgery, 1976
