and politics and ethnicity and conflict      *African Politics in Comparative Perspective African Edition* Goran Hyden, 2007-12-01      **Theorizing in Comparative Politics** Goran Hyden, 2024-01-31 This book addresses a pertinent issue in comparative politics how can the discipline do analytical justice to regions of the world that differ historically from the Western experience For decades the West has served as a baseline against which all other regions are assessed most recently in studies of democratization Structural differences between regions have been ignored in favour of explanations based on human agency and institutions In *Theorizing in Comparative Politics* Goran Hyden uses the countries of Africa as an empirical case to demonstrate what a structural approach adds to the comparative study of democracy Priorities like state building challenge the effort to shape democratic regimes and call for explanations that recognize the impact of local power dynamics on the prospects for democratic development Informative and thoughtful this book sheds light on issues that have been underexplored in the field in recent years      *Routledge Handbook of African Politics* Nic Cheeseman, 2017-07-05 Providing a comprehensive and cutting edge examination of this important continent *Routledge Handbook of African Politics* surveys the key debates and controversies dealing with each of the major issues to be found in Africa s politics today Structured into 6 broad areas the handbook features over 30 contributions focused around The State Identity Conflict Democracy and Electoral Politics Political Economy Development International Relations Each chapter deals with a specific topic providing an overview of the main arguments and theories and explaining the empirical evidence that they are based on drawing on high profile cases such as the Democratic Republic of Congo Kenya Nigeria Somalia South Africa Rwanda and Zimbabwe The Handbook also contains new contributions on a wide range of topical issues including terrorism the growing influence of China civil war and transitional justice making it required reading for non specialists and experts alike Featuring both established scholars and emerging researchers this is a vital resource for all students of African Studies democratization conflict resolution and Third World politics      *African Thought in Comparative Perspective* Ali A. Mazrui, 2014-03-25 *African Thought in Comparative Perspective* showcases how adept Ali Mazrui the most prolific writer on Africa today is at using complex conceptual apparatuses to categorize and synthesize Africa s political and social thought This book thus offers an original interpretation of the knowledge that has been accumulated over the years and which is of timeless relevance It covers such themes as the legacy of the African liberation movements the convergence and divergence of African Islamic and Western thought nationalist ideologies in Africa the role of religion in African politics and the impact of Ancient Greek philosophy on contemporary Africa      *Reassessing the Responsibility to Protect* Brett R. O'Bannon, 2015-10-05 This book explores conceptual and operational questions regarding the development and implementation of the Responsibility to Protect The mass atrocity norm known as the Responsibility to Protect R2P has enjoyed meteoric success since the concept was introduced in 2001 But perhaps precisely because of how quickly the concept secured its privileged place in the pantheon of ideas and concerns in international affairs many fundamental questions remain concerning its origins its

conceptual contents and its relevance to actual cases of mass atrocity This book seeks to explore that terrain by drawing together a group of scholars diverse enough to engage with the complex array of political legal and ethical questions raised by R2P Critical questions raised here include What are the limits of the authority that R2P confers on international actors What does the evolution of R2P mean for North South relations Just how significant is R2P in the context of the broader human rights landscape In addition to those conceptual and theoretical matters special attention is given to the operational context in which the meaning of R2P is ultimately rendered As events in Africa have figured so significantly into the norm s development the contributors pay special attention to the problems and prospects of mass atrocity prevention in that context This volume will be of much interest to students of the Responsibility to Protect war and conflict studies peacebuilding international law and IR Security Studies

*A Theory of African Constitutionalism* Berihun Adugna Gebeye, 2021-07-08 A Theory of African Constitutionalism asks and seeks to answer why we need a new theoretical framework for African constitutionalism and how this could offer us better theoretical and practical tools with which to understand improve and assess African constitutionalism on its own terms By locating constitutional studies in Africa within the experiences interactions and contestations of power and governance beginning in precolonial times the book presents the development and transformation of African constitutional systems across time and place along with the attendant constitutional designs and practices ranging from the nature and operation of the African state to its vertical and horizontal government structures to its constitutional rights regime This title offers both a theoretically and comparatively rich historically and contextually informed and temporally and spatially extensive account of the nature travails and incremental successes of African constitutionalism with detailed case studies from Nigeria Ethiopia and South Africa A Theory of African Constitutionalism provides scholars policymakers governments and constitution builders in Africa and beyond with new insights for reimagining the purpose substance and scope of constitutions and constitutionalism
