Age Innocence Virginia Ward Turner:

Bishop Henry McNeal Turner and African-American Religion in the South Stephen Ward Angell, 1992 Henry McNeal Turner was an epoch making man as his colleague Reverdy Ransom called him A bishop in the African Methodist Episcopal Church from 1880 to 1915 Turner was also a politician and Georgia legislator during Reconstruction U S Army chaplain newspaper editor prohibition advocate civil rights and back to Africa activist African missionary and early proponent of black theology This richly detailed book the first full length critical biography of Turner firmly places him alongside DuBois and Washington as a preeminent visionary of the postbellum African American experience The strength and vitality of today s black church tradition owes much to the herculean labors of pioneers such as Turner one of the most skillful denominational builders in American history When emancipation created the prerequisites for a strong national religious organization Turner with his boldness charisma political wisdom eloquence and energy took full advantage of the opportunity Combining evangelicalism with forthright agitation for racial freedom he instigated the most momentous transformation in A M E Church history the mission to the South Stephen Angell views Turner s advocacy of ordination for women and his missionary work in Africa as a further outgrowth of the bishop s deep evangelical commitment The book s epilogue offers the first serious analysis of Turner s theology and his replies to racist distortions of the Christian message [Encyclopedia of African American History, 1619-1895](#) Paul Finkelman, 2006-04-06 It is impossible to understand America without understanding the history of African Americans In nearly seven hundred entries the Encyclopedia of African American History 1619 1895 documents the full range of the African American experience during that period from the arrival of the first slave ship to the death of Frederick Douglass and shows how all aspects of American culture history and national identity have been profoundly influenced by the experience of African Americans The Encyclopedia covers an extraordinary range of subjects Major topics such as Abolitionism Black Nationalism the Civil War the Dred Scott case Reconstruction Slave Rebellions and Insurrections the Underground Railroad and Voting Rights are given the in depth treatment one would expect But the encyclopedia also contains hundreds of fascinating entries on less obvious subjects such as the African Grove Theatre Black Seafarers Buffalo Soldiers the Catholic Church and African Americans Cemeteries and Burials Gender Midwifery New York African Free Schools Oratory and Verbal Arts Religion and Slavery the Secret Six and much more In addition the Encyclopedia offers brief biographies of important African Americans as well as white Americans who have played a significant role in African American history from Crispus Attucks John Brown and Henry Ward Beecher to Olaudah Equiano Frederick Douglass Sarah Grimke Sojourner Truth Nat Turner Phillis Wheatley and many others All of the Encyclopedia s alphabetically arranged entries are accessibly written and free of jargon and technical terms To facilitate ease of use many composite entries gather similar topics under one headword The entry for Slave Narratives for example includes three subentries The Slave Narrative in America from the Colonial Period to the Civil War Interpreting Slave Narratives and

African and British Slave Narratives A headnote detailing the various subentries introduces each composite entry Selective bibliographies and cross references appear at the end of each article to direct readers to related articles within the Encyclopedia and to primary sources and scholarly works beyond it A topical outline chronology of major events nearly 300 black and white illustrations and comprehensive index further enhance the work s usefulness **Turner Classic Movies**
