Angelic Mysteries Ricky Roberts, 2005-01-12 Angelic Mysteries is a systematic rationale which sets the record straight about angels and their existence Dr Ricky Roberts brings academic analysis to the text of the Scriptures and divides truth from myth fact from fiction and information from misinformation The degeneration of monotheism and the acceptance of other philosophical genres has led to a disintegration of understanding of the mysteries of God's angelic forces Using the Word of God as the final arbiter Dr Roberts systematically reexamines the role of angels in the Bible from the first appearance of the Cherubim in Genesis 3 The truth contained in Angelic Mysteries therefore becomes the standard by which other writings must be measured Angelic Mysteries teaches the truth about The orders of God's angels The nature of angels The works of angels Common facts about angels About the author Dr Ricky Roberts was completely and instantaneously healed in 1977 of severe learning difficulties that had plagued him since birth Today he has seven earned doctorates including two Ph D's and is an authority on ancient languages He speaks Greek Hebrew Aramaic and Latin He has been honored by Who's Who in America Who's Who in the World and most recently 1 000 Great Americans Dr Ricky Roberts is the founder of True Light Ministries a teaching and healing ministry based in Jacksonville Florida

Angelic Echoes Ralph Sarkonak,2000-08-01 In 1990 Herv Guibert gained wide recognition and notoriety with the publication of *l ami qui ne m a pas sauv la vie* To the Friend Who Did Not Save My Life This novel one of the most famous AIDS fictions in French or any language recounts the battle of the first person narrator not only with AIDS but also with the medical establishment on both sides of the Atlantic Photography critic for *Le Monde* from 1977 1985 Guibert was also the co author with Patrice Ch reau of a film script *L Homme Bless* which won a C sar in 1984 and author of more than twenty five books eight of which have been translated into English In this vibrant and unusual study Ralph Sarkonak examines many intriguing aspects of Guibert s life and production the connection between his books and his photography his complex relationship with Roland Barthes and with his friend and mentor Michel Foucault relationships that were at once literary intellectual and personal in each case the ties between his writing and that of his contemporaries including Renaud Camus France s most prolific gay writer and his development of an AIDS aesthetic Using close textual analysis Sarkonak tracks the convolutions of Guibert s particular form of life writing in which fact and fiction are woven into a corpus that evolves from and revolves around his preoccupations obsessions and relationships including his problematic relationship with his own body both before and after his HIV positive diagnosis Guibert s work is a brilliant example of the emphasis on disclosure that marks recent queer writing in contrast to the denial and cryptic allusion that characterized much of the work by gay writers of previous generations Yet as Sarkonak concludes Guibert treats the notions of falsehood and truth with a postmodern hand as overlapping constructs rather than mutually exclusive ones or to use Foucault s expression as games with truth

Lancaster,2012-06-20 In *The Angelic Mother and the Predatory Seductress* Ashley Craig Lancaster examines how converging political and cultural movements helped to create dualistic images of southern poor white female characters in Depression era literature While other studies address the familial and labor issues that challenged female literary characters during the 1930s Lancaster focuses on how the evolving eugenics movement reinforced the dichotomy of altruistic maternal figures and destructive sexual deviants According to Lancaster these binary stereotypes became a new analogy for hope and despair in America s future and were well utilized by Depression era politicians and authors to stabilize the country s economic decline As a result the complexity of women s lives was often overlooked in favor of stock characters incapable of individuality Lancaster studies a variety of works including those by male authors William Faulkner Erskine Caldwell and John Steinbeck as well as female novelists Mary Heaton Vorse Myra Page Grace Lumpkin and Olive Tilford Dargan She identifies female stereotypes in classics such as *To Kill a Mockingbird* and in the work of later writers Dorothy Allison and Rick Bragg who embrace and share in a poor white background *The Angelic Mother and the Predatory Seductress* reveals that these literary stereotypes continue to influence not only society s perception of poor white southern women but also women s perception of themselves *The Empath Codex Veritas* Lesley Crossingham,2014-09-14
