The Big American Football Playbook Yellow Pad Books,2020-09-16 Every coach needs a big playbook This is a book of blank templates for you to fill Unlike other similar books this big 8 5 x 11 book utilizes the entire page for maximum strategizing potential It has 116 blank football fields and 7 lined pages for notes To the uninformed football may appear like a violent game of mere brawn no brains required Without question winning requires brute strength raw speed fearless confrontation and lightning quickness In the fourth quarter the result is usually settled by the team who has trained hardest and wants it most But football is also a grand chess match a clash of wits a coaches game won in strategy sessions and in the war rooms where players learn the jobs they ve been assigned That s why every coach needs some big playbooks This Big American Football Playbook is not a book of plays it is a book of potential plays 120 pages of empty fields and notes for use in

the strategic process Getting a batch of them can prove useful as homework notebooks or tests for players even as aids to record your team's stats or your opponents' strategies For those coaching younger players including parents introducing the game to their children this playbook is also helpful in teaching the game crayons may work best in that scenario Of course you can always use an electronic tablet or white board while out on the field but nothing seems to beat paper and pen especially when batteries die the sun shines too brightly or the ink dries out in the heat The solution This Big American Football Playbook a notebook we think is as brainy and brawny as the game itself Yellow Pad Books we draw blanks so you can fill them in and change the world™ For more sports playbooks and simple big writing solutions try The Big Green Soccer Playbook The Original Yellow Pad Journal classic edition The Original Big Yellow Checklist a journal for planners and doers
