

A woman with dark hair in a bun, wearing a white off-the-shoulder dress and a pearl earring, is looking out a window. She is holding a bouquet of white flowers. The window has a dark frame and a white curtain. Outside the window, a cityscape with red-tiled roofs and a hill in the background is visible. A red wax seal is in the top right corner.

González,2023-06-28 This book focuses on expressions of the tragic in Spanish cinema Its main premise is that elements from the classical and modern tragic tradition persist and permeate many of the cultural works created in Spain especially the films on which the book centers this study The inscrutability and indolence of the gods the mutability of fortune the recurrent narratives of fall and redemption the unavoidable clash between ethical forces the tension between free will and fate the violent resolution of both internal and external conflicts and the overwhelming feelings of guilt that haunt the tragic heroine hero are consistent aspects that traverse Spanish cinema as a response to universal queries about human suffering and death *Spanish Theatre 1920-1995* Maria M. José Bergamín Nigel Dennis,1986-01-01 Writer critic and cultural activist Jos Bergam n 1895 1983 was unjustly relegated to the sidelines of contemporary Spanish intellectual life for reasons that have more to do with his political dissidence and long periods of exile than with the interest and importance of his written work This book represents the first attempt to come

to terms with that work Professor Dennis's study focuses on the period 1920-1936 the so called silver age of Spanish literature during which Bergamín rose to prominence alongside a group of superlatively gifted writers and friends among them Federico García Lorca Rafael Alberti Jorge Guillén and Pedro Salinas It sets out to explain the nature of the relationship Bergamín had as a critic and prose writer with the major poets of the 1920s and 1930s and at the same time systematically examines the singularity of his own work as an aphorist essayist and dramatist Professor Dennis also devotes attention to explaining the sense of Bergamín's initiative in founding the important journal *Cruz y Raya* 1933-1936 and the role this publication played both culturally and politically during the troubled years of the Second Republic This book not only fills a notable gap in our understanding of pre-Civil War literary and intellectual life in Spain but also lays the foundation for all future research into the work of this fascinating and enigmatic writer **Ted Hughes: From Cambridge to**
