But Beautiful A About Jazz:

But Beautiful Geoff Dyer,1997-06-26 Dyer imaginatively reconstructs scenes from the embattled lives of some of the giants of jazz *But Beautiful* Geoff Dyer,2025-09-23 May be the best book ever written about jazz David Thomson Los Angeles Times In eight poetically charged vignettes Geoff Dyer skillfully evokes the music and the men who shaped modern jazz Drawing on photos anecdotes and most important the way he hears the music Dyer imaginatively reconstructs scenes from the embattled lives of some of the greats Lester Young fading away in a hotel room Charles Mingus storming down the streets of New York on a too small bicycle Thelonious Monk creating his own private language on the piano However music is the driving force of *But Beautiful* and wildly metaphoric prose that mirrors the quirks eccentricity and brilliance of each musician's style Jazzthink Brian J. Fraser,2004 Success is elusive That's the conclusion a lot of people have come to When one dream of success is realized another takes shape on a distant horizon Our thinking about success is often driven by what we don't have It's driven by an obsessive striving for something more something out there something that never seems to come Jazzthink *Playing with the Stuff of Success* is not another set of rules for achieving that kind of success It takes you within to the true source of your successes It encourages you to play with the unique talents of your brilliance Jazzthink *Playing with the Stuff of Success* focuses on the basic elements of deeply satisfying success that we already enjoy It invites you to grow down into your true genius and find success in expressing your unique brilliance Jazzthink *Playing with the Stuff of Success* provokes you to think differently It challenges you to imagine contributing your unique talents to a great jazz performance It deals with genius audiences confidence core charts performance focus and appreciation These are the seven basic elements of deeply satisfying success You find them deep within itching to be expressed And the result in your everyday life is sheer delight **Stan Getz** Nicholas Churchill,2004-12-29 Some may only know the jazz legend Stan Getz tenor saxophonist for his bossa nova hits *Desafinado* and *The Girl from Ipanema* However Getz born in 1927 began to play professionally at age 15 and his rich musical career lasted until shortly before his death on June 6 1991 He played in a wide variety of musical settings such as big band orchestral quartet and duo The incredible beauty of his sound sparked the late jazz great John Coltrane to say We would all play like Stan Getz if we could When Getz died jazz trumpeter Dizzy Gillespie said He was sheer genius And there's one thing about this man he was the most melodic player on the jazz scene This bibliography the first of its kind contains a total of 2 576 bibliographic citations with 2 292 of them annotated It includes references to periodical literature articles from news wire services books dissertations films videos television programs radio broadcasts and Web sites The citations are primarily from English language sources Materials in English and French as well as a handful of items from other languages are annotated This work includes a preface that contains the scope of the work a user's guide and a list of more than 340 periodicals cited The main body of the work is divided into the following sections album reviews performance reviews discographies and discographical information transcriptions biographical and critical

works filmography and appendix Album reviews are provided for 240 albums along with the discographical details for each of these albums The appendix contains unannotated citations to materials in Danish Dutch German Italian Norwegian Spanish and Swedish
