[The Prince's Second Chance](#) Brenda Harlen, 2011-02-01 Advice columnist Gabriella Vasquez had it all: a high profile newspaper job, a beautiful daughter, and a powerful secret. The father of her child was none other than the man who'd broken her heart: the playboy prince of Tesoro del Mar himself, Cameron Leandres. The rakish royal had longed to settle down for some time, and when Cameron realized he was a daddy, he knew fate had brought him back to the only woman he'd ever loved. Getting involved meant risking his heart and the kind of scandal that could bring down the royal family. But this time around, Cameron vowed to win Gabby's heart and throw a royal wedding to remember. Rooted in a rich precolonial history, surfing has undergone a modern transformation shaped by visual culture, commodification, sportization, mediatization, and globalization, arguably all linked to sex, gender, and sexuality. Using the physical culture of surfing as its focus, this international collection discusses the complex relationships between surfing, sex, gender, and sexuality. This book crosses new theoretical, empirical, and methodological boundaries by exploring themes and issues such as indigenous histories, exploitation, the marginalized, race, ethnicity, disability, counter cultures, transgressions, and queering. Offering original insights into surfing's symbolism, postcolonialism, patriocolonial whiteness, and heteronormativity, its chapters are connected by a collective aspiration to document sex, gender, and sexuality as they are shaped by surfing and, importantly, as they reshape the many possibly previously unknown worlds of surfing. *Surfing, Sex, Genders and Sexualities* is fascinating reading for anybody with an interest in the sociology of sport or gender and sexuality studies. *Four Futures* by Kit Reed Kit Reed, 2017-02-07 Four speculative near futures by Kit Reed, author of *Where and When*, showcasing her sharp and transgressive social dystopias where characters are pushed to their psychological limits. *Expectations*: Jenny lives a typical suburban life and stumbles upon an online community where people create their own lives through words. Soon, she becomes so far removed from her life that she can no longer see the line between reality and fantasy. *Thinner Than Thou*: In a world where religion says everyone must look young and perfect, the ultimate heresy is being too fat, too thin, or too old. *The Baby Merchant*: Precipitously falling fertility rates due to viruses and other biological complications allow Tom Starbird to make a living finding the perfect unwanted
