you hooked **Ludic Pedagogy** Sharon Lauricella,T. Keith Edmunds,2023-03-14 Ludic Pedagogy A Seriously Fun Way to Teach and Learn outlines why and how having fun and positive experiences in college and university classes and not just at social events or parties leads to increased student success in face to face hybrid hyflex or online environments It provides readers with the Ludic Pedagogy model together with how instructors can employ the elements of the model play playfulness and positivity in the courses that they teach This book is grounded in empirical research so that readers can appreciate why each element of the Ludic Pedagogy model contributes to increased learning and student wellbeing It also offers examples practical advice and guidance on how faculty can employ activities and attitudes so that students have more memorable meaningful and valuable educational experiences in college university In order to win over the elbow patched blazer wearing professoriate we specifically address why the ludic mindset and having fun is compatible with serious academic work The Hand You're Dealt Katie Charles,2025-06-19 Lori begins college with the hope of being just another freshman Some kids like to stand out Lori wants to blend in She spent much of high school being accused of faking a painful illness so she could be the center of attention If only that were true If only she could just stop Lori has Complex Regional Pain Syndrome and is in a constant state of pain that only varies by degrees Wanting to be normal Lori tries to hide her chronic illness for as long as she can She trusted people to support her before and learned her trust was unfounded She hopes she can be Lori first her disability not at all To hide her diagnosis until she knows she can trust people again or until the inevitable happens and she can t hide it anymore Dating wasn t in her plan but it feels good to be with someone who doesn t question her or treat her like an invalid When she opens up to Dylan and tells him her whole truth he treats her like a person and not an invalid which is all Lori ever wanted Eventually she can t hide her pain A minor incident to anyone else thrusts Lori into a major flare Now is the true test Who will stay with her when explanations become reality Who will change Lori learned to stand on her own two feet even when she needs a cane to do it and maybe now she won t have to stand alone **The Kids are Smart Enough, So What's the Problem?** Richard W. Garrett,2017-12-06 There is a national crisis in education and it s not the highly debated philosophical discussions or heated political arguments we are used to hearing Survey data establishes the fact that classrooms throughout the nation suffer from the presence of a small percentage of misbehaving students Teachers are ill equipped to deal with these disruptive students resulting in lost classroom time and demoralized educators who are perpetually blamed for the student s bad performance The root cause of these misbehaving children is not a lack of intellectual ability but a lack of character and grit the important noncognitive skills required for success in life The Kids are Smart Enough is a book of hope with surprisingly practical solutions revealed by listening to teachers learning from data and looking for the root cause This book will help you to discover how struggling students can be reached and teachers encouraged Information Wars Richard Stengel,2019-10-08 A well told insider account of the State Department s twenty first century struggle to defend America against malicious propaganda and disinformation The Washington Post

Disinformation is nothing new When Satan told Eve nothing would happen if she bit the apple that was disinformation But today social media has made disinformation even more pervasive and pernicious In a disturbing turn of events authoritarian governments are increasingly using it to create their own false narratives and democracies are proving not to be very good at fighting it During the final three years of the Obama administration Richard Stengel former editor of Time was an Under Secretary of State on the front lines of this new global information war tasked with unpacking disproving and combating both ISIS s messaging and Russian disinformation Then during the 2016 election Stengel watched as Donald Trump used disinformation himself In fact Stengel quickly came to see how all three had used the same playbook ISIS sought to make Islam great again Putin tried to make Russia great again and we know the rest In Information Wars Stengel moves through Russia and Ukraine Saudi Arabia and Iraq and introduces characters from Putin to Hillary Clinton John Kerry and Mohamed bin Salman to show how disinformation is impacting our global society He illustrates how ISIS terrorized the world using social media and how the Russians launched a tsunami of disinformation around the annexation of Crimea a scheme that would become a model for future endeavors An urgent book for our times now with a new preface from the author Information Wars challenges us to combat this ever growing threat to democracy A refreshingly frank account revealing Kirkus Reviews This sobering book is indeed needed to help individuals better understand how information can be massaged to produce any sort of message desired Library Journal

Raw Deal Steven Hill, 2015-10-20 What s going to happen to my job That s what an increasing number of anxious Americans are asking themselves The US workforce which has been one of the most productive and wealthiest in the world is undergoing an alarming transformation Increasing numbers of workers find themselves on shaky ground turned into freelancers temps and contractors Even many full time and professional jobs are experiencing this precarious shift Within a decade a near majority of the 145 million employed Americans will be impacted Add to that the steamroller of automation robots and artificial intelligence already replacing millions of workers and projected to obsolesce millions more and the jobs picture starts looking grim Now a weird yet historic mash up of Silicon Valley technology and Wall Street greed is thrusting upon us the latest economic fraud the so called sharing economy with companies like Uber Airbnb and TaskRabbit allegedly liberating workers to become independent and their own CEOs hiring themselves out for ever smaller jobs and wages while the companies profit But this share the crumbs economy is just the tip of a looming iceberg that the middle class is drifting toward Raw Deal How the Uber Economy and Runaway Capitalism Are Screwing American Workers by veteran journalist Steven Hill is an exposé that challenges conventional thinking and the hype celebrating this new economy by showing why the vision of the techno sapien leaders and their Ayn Rand libertarianism is a dead end In Raw Deal Steven Hill proposes pragmatic policy solutions to transform the US economy and its safety net and social contract launching a new kind of deal to restore power back into the hands of American workers
