The Serpent and the Soul Katie Souza, 2024-09-03 Healing cannot happen unless you confront the demonic strongholds attacking you After reading this book you will discover the strategies of Python and Leviathan identify their primary targets and learn how to defeat them You will gain confidence and understanding to sever the strongholds gripping your life Instead of being constricted by serpent spirits you will walk free in the power of Christ Jesus gave us the power to trample serpents and have authority of the power of the enemy in Luke 10:19 Isaiah 27:1-3 identifies Leviathan as a twisting fleeing serpent This spirit operates in relationships at all levels and twists people's words shooting darts between people and causing division Not only does it ruin relationships but healing minister Katie Souza believes it ruins our health and our daily lives The Serpent and the Soul shows you the many ways we allow the Leviathan serpent spirit into our lives and the impact it has on us Python is another serpent spirit and it constricts our finances and causes lack and misalignment in our lives and our physical bodies So many misunderstand or overlook the connection between idolatry witchcraft and these serpent spirits and the impact they have on our bodies Souza has seen this time and time again throughout her years of ministry But there is good news You can break the serpents deadly grip through genuine repentance of pride unforgiveness and other doors these spirits use to gain access to your life Your relationships can thrive again and you can prosper and live in health and peace This book will impart biblical understanding of Python Leviathan and other serpent spirits and provide you with powerful prayers and spiritual tools for breaking free from their control God's healing restoration and prosperity are available to you when you break the connection of the serpent and the soul

A God More Powerful Than Yours Christopher W. Boerl, Katie Donbavand, 2015-09-18 Throughout American history religious movements have repeatedly proved themselves to be powerful forces capable of masterfully manipulating the social and political landscape of the nation Key to the influence religious

organizations have historically held in the United States is their use of communication technologies In this vivid account Christopher Boerl and Katie Donbavand adroitly weave a rich narrative illuminating the effects various historical phenomena have had and the reactionary religious response which followed Through shifting social norms and political realities the authors also show the role media has played in nurturing religious movements and fanaticism Broadcast media in particular is identified as a unique conduit through which the now dominant conservative articulation of Christianity both took root in the United States and flourished as an imposing cultural standard More recently new communication technologies such as the Internet and social media have usurped the reign of broadcast media In so doing these technologies are serving as a form of religious pluralization and theological fragmentation In short new communications technologies are fragmenting a once homogenous religious body and in so doing proving that some gods are more powerful than others
