Washed Away: From Darkness to Light Nikki DuBose, James Johanson, 2016-09-30 *Washed Away From Darkness to Light* is a memoir that recounts the experiences of model Nikki DuBose as she overcomes a more than seventeen year battle with abuse child sexual victimization eating disorders psychosis alcoholism drugs depression suicide attempts body dysmorphic disorder and various other mental health issues all while trying to navigate through the dark side of the fashion industry Her journey began as a young introverted child with a florid imagination growing up in Charleston South Carolina By the age of eight she had been sexually physically and emotionally abused and had developed an eating disorder The abuse warped Nikki's self perception and sparked patterns of psychosis

depression and destructive behavior that stayed with her into adulthood In her early twenties she began working as a television host and started a career in modeling Eventually Nikki attained success appearing on the covers of magazines such as Maxim shooting for editorials like Vanity Fair Glamour and FHM and appearing in campaigns for Perry Ellis Cast into a world of excess superficiality and vanity Nikki traveled the globe and experienced the finest that the material world had to offer all while feeling empty inside Her disorders addictions and mental health issues took her to the brink of mortality and only through a deeply painful inner battle and her mother's death was she able to reconnect the lost pieces of her soul and see the person she had so long rejected Her recovery from a nearly lifelong struggle with PTSD psychosis addictions and eating disorders has left Nikki with a passionate longing to help others who are also suffering by advocating for mental health and self acceptance In America more than sixty one million individuals are affected by mental illness Child sexual abuse affects more than forty five million people in the United States alone yet it is still regarded as one of the most shameful issues to date Eating disorders affect millions and are one of the most destructive and life threatening mental afflictions today anorexia nervosa has the highest mortality rate of any psychological illness Despite the extent of the suffering eating disorders and mental health issues are poorly understood in popular culture and are often stigmatized mocked or even glorified because of misconceptions and ignorance over the seriousness of the manner Although the modeling industry has made strides towards body diversity in the past couple of years there is a lack of education and awareness surrounding eating disorders and other mental health issues We believe that through the recent societal trends and improved sharing of information we are beginning to break this paradigm therefore another aim of this book will be to educate the public Washed Away From Darkness to Light will serve as a testimony to others to let them know that they are not alone in their fears doubts and frustrations and that through recovery all things are possible A compelling and educational read about the dark side of the fashion business and its effect on mental health Nikki draws upon her experiences of overcoming a life threatening eating disorder as she navigates through the industry all while wrestling with a broken home life and struggling to discover her inner voice Nikki's story is truly remarkable and will serve as a beacon to anyone who has ever doubted their own intrinsic value I highly recommend Washed Away From Darkness to Light Brian Cuban Attorney Author Shattered Image My Triumph Over Body Dysmorphic Disorder Activist I was truly amazed by her determination to live life I saw a woman that had every reason to quit and remain silent but she chose to break through every obstacle that challenged her I am very grateful that she has taken on the challenge to not only speak about her experience but to fight for change in laws that will empower children and survivors to protect themselves We all need to learn from Nikki and use our voices to create positive change It is no longer okay for the silence to outweigh the tough discussion Ignorance will not stop child sex predators from harming our children Matthew Sandusky Founder Executive Director of Peaceful Hearts Foundation Author Undaunted Breaking My Silence to Overcome the Trauma of Child Sexual Abuse Speaker To endure what DuBose has within her first

decade proves more than most could handle in a lifetime yet she looks back at her life with grace and a rare honesty As she takes us through the overly sexualized fashion industry as an international top model she gives the no holds barred account on mental illness rape and eating disorders that our society so desperately needs Neesha Arter Journalist Author Controlled Washed Away From Darkness to Light is an incredible story of one brave woman s perseverance in the face of daunting life circumstances Nikki DuBose details her chilling experiences with an eating disorder childhood sexual abuse alcoholism and drug abuse and how she found the strength to rise above and find recovery This powerful read will inspire those in their own recovery journeys Kristina Saffran Co Founder and Co Executive Director at Project HEAL
