PRACTICAL INTENTIONAL GUIDE TO CREATING ENHANCED CONDITIONS FOR CONCEPTION Creating new life is a natural part of being a woman but it doesn't always come as easily as we expect. With high stress modern lives, many women's bodies are not prepared to nurture the growth of a child and they may find it challenging to become pregnant. Heather Grzych discovered firsthand that the practice of Ayurveda and its deep teachings on the Four Fertility Factors could help her and other women create the optimal conditions for conception. She shares that understanding which led to the birth of her son in this comprehensive book. Ayurveda, the ancient science of life, teaches rejuvenating mind-body-spirit practices and herbal remedies that will help you and your partner align with nature for a healthy conception. You can safely explore this holistic approach as you plan for your pregnancy. With Heather's guidance, you will discover and learn to enhance the factors that contribute to fertility and overall well-being, including the spiritual, emotional, and environmental dimensions of conception.
