Aghora III Robert Svoboda,1998 Vol copublished by Sadhana Publications Floresville Tx **Aghora III** Robert E. Svoboda,1999 **Aghor Medicine** Ronald L. Barrett,2008-03-04 For centuries the Aghori have been known as the most radical ascetics in India living naked on the cremation grounds meditating on corpses engaging in cannibalism and coprophagy and consuming intoxicants out of human skulls In recent years however they have shifted their practices from the embrace of ritually polluted substances to the healing of stigmatized diseases In the process they have become a large socially mainstream and politically powerful organization Based on extensive fieldwork this lucidly written book explores the dynamics of pollution death and healing in Aghor medicine Ron Barrett examines a range of Aghor therapies from ritual bathing to modified Ayurveda and biomedicines and clarifies many misconceptions about this little studied group and its highly unorthodox powerful ideas about illness and healing **Eyes Wide Open** Mariana Caplan,2009-10-01 The spiritual path is like any other road it s going to have its share of potholes and detours Safe travel requires a quality rarely taught yet critically important in today s world discernment In *Eyes Wide Open* Mariana Caplan supports us in cultivating the acute judgment and discrimination that will help us to live a spiritual life with intelligence clarity and authenticity Is enlightenment less about fireworks and bliss and more about dismantling illusions How do we fully integrate our practice into daily living What s the best way to work with the ego and the shadow *Eyes Wide Open* explores these questions and more offering practitioners from any tradition or those just getting started a traveler s guide through the labyrinth of increasing subtlety that defines a genuine spiritual life *Eyes Wide Open* has received the following awards 2010 Gold IPPY New Age Mind Body Spirit 2010 Gold Living Now Award Enlightenment Spirituality 2010 Silver Nautilus Award Spirituality *Buddhist Teachings: The Art Of Letting Go, Inspired by the Talks of Ajahn Brahm* Lorenzo da Costa,2014-09-15 Buddhist teachings inspired by the talks of Ajahn Brahm and the art of letting go Lorenzo da Costa shares his personal journey and insights into Buddhism Learning to let go sits at the heart of day to day Buddhist practice It is essential in dealing with the difficulties and troubles of everyday life using the principles of Buddhist psychology In the format of vignettes and reflections the how to do it is discussed The material is inspired by Ajahn Brahm s internet talks Ajahn Brahm is one of the world s best known Buddhist teachers The second part of the book reflects on the essential unity of Buddhism Taoism Hinduism and Gnostic Christianity An excellent insight into Buddhist teachings and the art of letting go *Halfway Up The Mountain* Mariana Caplan,2014-03-04 Caplan TO TOUCH IS TO LIVE asserts that the reality of the present condition of contemporary spirituality in the West is one of grave distortion confusion fraud and a fundamental lack of education She claims that as positive as the tremendous rise in spirituality is there is not any context for determining whether any particular teaching or teacher is truly enlightening Caplan compiles interviews with such noted spiritual masters as Joan Halifax Llewellyn Vaughan Lee and Rabbi Zalman Schachter Shalomi on the nature of enlightenment In the first section Caplan examines the

motivations people have for seeking enlightenment and contends that very often they seek this state as a means of gratifying the ego This presumption of enlightenment she says often afflicts teachers masquerading as spiritual leaders These teachers sometimes look down on their students and gloat over how far they have come and how far the students have to go A second section focuses on The Dangers of Mystical Experience in which Caplan claims that many seekers mistake the mystical experience itself for enlightenment she and the teachers she interviews all assert that enlightenment always involves gaining some knowledge about self and others The third section Corruption and Consequence focuses on the nature of power and corruption the fourth section Navigating the Mine Field Preventing Dangers on the Path provides a survey of the ways in which practitioners can avoid the pitfalls of false enlightenment A final section Disillusionment Humility and the Beginning of Spiritual Life concludes that the Real spiritual life is the life of total annihilation and the return to just what is Caplan s illuminating book calls into question the motives of the spiritual snake handlers of the modern age and urges seekers to pay the price of traveling the hard road to true enlightenment
