Assyrian Rejuvenator Clifford Ashdown:

The Assyrian Rejuvenator Clifford Ashdown, 2016-01-18 This early work by Richard Austin Freeman was originally published in the early 20th century and we are now republishing it with a brand new introduction The Assyrian Rejuvenator is one of Freeman's novels written under the name Clifford Ashdown The first story featuring his well known protagonist Dr Thorndyke a medico legal forensic investigator was published in 1907 and although Freeman's early works were seen as simple homages to his contemporary Sir Arthur Conan Doyle he quickly developed his own style The inverted detective story in which the identity of the criminal is shown from the beginning and the story then describes the detective's attempt to solve the mystery [The adventures of Romney Pringle, by Clifford Ashdown](#) Richard Austin Freeman, 1902 **From the Banks**

of the Euphrates Micah Ross, 2008-01-01 Although Near Eastern languages and the history of the exact sciences are known for being obscure and deliberately arcane to general audiences Alice Slotsky has paradoxically established her legacy by exposing these topics to a wider audience As a visiting professor at Brown University Slotsky has taught more students than any previous Assyriologist and successfully brought this discipline to a wider audience than previously imagined possible This volume with articles written by former students as well as colleagues pays tribute to her broad interests **Victims Or**

Villains Malcolm J. Turnbull, 1998 At the same time the author analyses the reevaluation of Jewish stereotyping after 1930 both as a result of the natural development of the crime novel and more immediately in light of the rise of Hitler World War II and the Holocaust **BOOK JACKET** *Distant Reading* Franco Moretti, 2013-06-04 **WINNER OF THE NATIONAL BOOK**

CRITICS CIRCLE AWARD How does a literary historian end up thinking in terms of z scores principal component analysis and clustering coefficients The essays in *Distant Reading* led to a new and often contested paradigm of literary analysis In presenting them here Franco Moretti reconstructs his intellectual trajectory the theoretical influences over his work and explores the polemics that have often developed around his positions From the evolutionary model of Modern European Literature through the geo cultural insights of *Conjectures of World Literature* and *Planet Hollywood* to the quantitative findings of *Style inc* and the abstract patterns of *Network Theory Plot Analysis* the book follows two decades of conceptual development organizing them around the metaphor of distant reading that has come to define well beyond the wildest expectations of its author a growing field of unorthodox literary studies **Victorian Fiction Beyond the Canon** Daragh

Downes, Trish Ferguson, 2016-12-15 This book is about selected Victorian texts and authors that in many cases have never before been subject to sustained scholarly attention Taking inspiration from the pioneeringly capacious approach to the hidden hinterland of Victorian fiction adopted by scholars like John Sutherland and Franco Moretti this energetically revisionist volume takes advantage of recent large scale digitisation projects that allow unprecedented access to hitherto neglected literary texts and archives Blending lively critical engagement with individual texts and close attention to often surprising trends in the production and reception of prose fiction across the Victorian era this book will be of use to anyone

interested in re evaluating the received meta narratives of Victorian literary history With an afterword by John Sutherland

Reading for Form Susan J. Wolfson, Marshall Brown, 2015-12-14 Reflecting varieties of theory and practice in both verse and prose from the Middle Ages to the twenty first century these essays by many of America s leading literary scholars call for a reinvigorated formalism that can enrich literary studies open productive routes of commerce with cultural studies and propel cultural theory out of its thematic ruts This book reprints Modern Language Quarterly s highly acclaimed special issue Reading for Form along with new essays by Marjorie Perloff D Vance Smith and Susan Stewart and a revised introduction by Susan Wolfson With historical case studies and insightful explorations Reading for Form offers invaluable material for literary critics in all specializations

Graphs, Maps, Trees Franco Moretti, 2020-05-05 In this groundbreaking book Franco Moretti argues that literature scholars should stop reading books and start counting graphing and mapping them instead In place of the traditionally selective literary canon of a few hundred texts Moretti offers charts maps and time lines developing the idea of distant reading into a full blown experiment in literary historiography in which the canon disappears into the larger literary system Charting entire genres the epistolary the gothic and the historical novel as well as the literary output of countries such as Japan Italy Spain and Nigeria he shows how literary history looks significantly different from what is commonly supposed and how the concept of aesthetic form can be radically redefined

Frederic Dannay, Ellery Queen's Mystery Magazine and the Art of the Detective Short Story Laird R. Blackwell, 2019-03-11 Frederic Dannay 1905 1982 was with his partner Manfred Lee the creator of the Ellery Queen detective novels and short stories Dannay was also a literary historian and critic and the editor of the renowned Ellery Queen Mystery Magazine Queen both a pen name and the fictional protagonist of the stories was also a vital force behind the continuing popularity of crime fiction in the early to mid 20th century after the deaths of Arthur Conan Doyle G K Chesterton Melville Davisson Post and other Old Masters of the genre This book presents the first critical study of Ellery Queen s role in the preservation of the detective short story Many of the writers characters and stories EQMM championed are covered including such celebrated authors as Allingham Ambler Ellin Innes Vickers and even William Butler Yeats
