Behavioural Finance Book:

Behavioral Finance: A Novel Approach Itzhak Venezia, 2020-11-24 Behavioral Finance A Novel Approach presents original papers exploring fresh ideas in behavioral finance Its chapters span a wide range of topics in a distinct mix of traditional issues along with less conventional matters This blend creates an optimal balance between chapters aiming at widening the scope of research in behavioral finance and those striving to refine the extant knowledge Thus along with traditional topics such as biases in pension decisions analysts recommendation gender differences in decisions and IPO s underpricing the book also contains chapters on CEO and board members behavior biased responses to regulation and regulatory reform investors attitudes towards corporate governance cognitive biases in judicial decisions the relations between behavioral finance and religion new methods to calibrate the accuracy of forecasts and the relations between behavioral finance and optimal contracting Presenting original findings on a vast assortment of subjects all in one venue makes the book ideal as a reference book for researchers and practitioners interested in keeping up with the important developments in behavioral finance The book could also serve as a handy guide for adapting insights from popular behavioral finance to some important underrepresented issues

BEHAVIOURAL FINANCE SULPHEY, M. M., 2014-09-01 This comprehensive lucidly written text is an ideal introduction to behavioural finance The book caters to the needs of both undergraduate and postgraduate management courses It covers almost all important topics of behavioural finance prescribed in the syllabi of various universities across India including Neurofinance and Forensic Accounting which have rare occurrence in other books but are important from future perspective There is a dearth of literature in behavioural finance and if available then the books are of large volumes written by foreign authors citing examples and case studies from the countries other than India Hence the present book aims at providing information in global scenario particularly Indian cases A number of case studies and box items make this text interesting and informative Review questions given at the end of each chapter help students in assessing their knowledge after having learned the concepts Overall the book will help readers in gaining adequate knowledge of the subject

Behavioral Finance H. Kent Baker, John R.
