The Bible Jerry L. Sumney, 2021-01-05 What is the Bible How did it get to us Why are translations so different And what influence has the Bible had on culture From its very first pages The Bible An Introduction Third Edition offers clear answers to the most basic questions that first time students and curious inquirers bring to the Bible Without presuming either prior knowledge of the Bible or a particular attitude toward it Jerry L Sumney uses straightforward language to lead the reader on an exploration of the Bible s contents and the history of its writings showing how critical methods help readers understand what they find in the Bible Filled with maps charts illustrations and color photographs to enhance the student s experience with the text This third edition offers a number of revisions and a new section on the deuterocanonical books Neither polemical nor apologetic The Bible presents the biblical writings as the efforts of men and women in the past to understand their lives and their world in light of the ways they understood the divine *Zionism Vs. the West* Jonas E. Alexis, 2018-04-03 A person can be brought into bondage in two different ways by force or by his own will Force is a crude way of bringing a person into submission but using the persons own free will can be done sophisticatedly and covertly Under the banner of democracy and freedom America has been under the bondage of what E Michael Jones has aptly called sexual liberation and political control for over fifty years In the first two volumes of the trilogy Alexis explored these ideological themes In this last volume he expands on some of those pernicious ideas emphasizing how Zionism for over sixty years has shaken the moral philosophical and intellectual foundation of much of Western culture The Iraq War alone will cost America at least six trillion dollars and as if to prove that America is still in bondage the oppressors continue to use sophisticated means to seduce Americans so that perpetual wars will never cease to exist in the Middle East and in much of the world This book will seek to address these and related issues and in the process tell us something about the fundamental nature of reality and how to approach this cosmic conflict which has dominated the West for over a thousand years **Episodes In Visions** Zebron Ncube, D. Min. , 2018-04-30 In his book Dr Zebron Ncube argues that in spite of socio political chaos and pessimistic and secular thinking that dominate human society the Book of Revelation tells us that God is still in control This is the prism through which the Book of Revelation should be read In Episodes in Visions each episode has its own full Bible text key

thought major objective overview and discussion with practical implications The preacher will find this book to be a tremendous resource for a preaching series Individuals and study groups will benefit from the easy to use outlines of the book The book is written from a preacher s perspective to give hope to a cringing spirit because the foundations of human society are crumbling God is in control Dr Zebron Ncube explains the mysteries of symbols and numbers to connect the contemporary mind with John and his first century audience No other book has so much relevance to the contemporary church and world as does the Book of Revelation that Dr Ncube writes about *Trimillennialism* Ritchie Way,2014-08-21 For the first time in the history of theology Ritchie Way interprets the prophecy of Revelation 20 using the hermeneutic of inauguration fulfillment and consummation He reveals that when the millennium is interpreted as having its inauguration in the life death and resurrection of Jesus then amillennialism and premillennialism are not seen as antagonistic to each other rather a tweaked amillennialism provides the fulfillment for the prophecy and a tweaked premillennialism provides its consummation This new way of interpreting the millennium is not only soundly based groundbreaking and exciting it also has significant implications for the interpretation of the rest of the book of Revelation Trimillennialism also provides fresh insights on original sin the essential difference between a saved and a lost person the depth of the sacrifice Christ made on the cross the nature of the punishment of the unrepentant and the present location of heaven *The Last Days of Dispensationalism* Alistair W. Donaldson,2010-10-28 How we understand God s future purposes for the world must shape to a significant degree how Christians live life in the present The decades since the publication of Hal Lindsey s *The Late Great Planet Earth* have seen a great deal of end times speculation Signs of the end time apocalypse occurring soon have been heralded across our radios televisions the internet and through written forms of media urging people to either be ready for the rapture or be left behind to endure the horrific suffering of the tribulation as God s end time program unfolds Is this really what the Bible teaches about the purposes of the God of whom our Bible declares so loved the world that he gave his only son in order that all things be reconciled *The Last Days of Dispensationalism* carefully examines this popular understanding known to us as dispensationalism and urges us to think again and to see within the Bible s grand salvation narrative and in the person of Jesus Christ a better message of redemptive hope for the future and a greater sense of meaning and purpose for the present *Holy People, Holy Land* Michael Dauphinais,Matthew Levering,2005-10-01 The Bible doesn t come with a secret decoder ring which means that it is left to church theologians to make sense of the Bible s many intricate and overlapping themes Over the centuries the church has identified several themes such as love and covenant that have helped the faithful to better understand a sometimes bewildering book In *Holy People Holy Land* authors Dauphinais and Levering make the case that holiness which they define as communion with God through love of neighbor is the central theme of Scripture *Holy People Holy Land* will give any reader the tools to better understand Scripture by showing how a holy God desires to recreate his children in his image so that they too can be holy
