Alam, Syed Shah, Haq, Mohammad Ridhwanul, Kokash, Husam Ahmad, Ahmed, Saif, Ahsan, Mst. Nilufar, 2025-05-22 Business research methods are essential tools for organizations seeking to make informed decisions, solve problems and gain a competitive edge in markets. These methods contain a range of approaches that guide the collection, analysis and interpretation of business data. By employing various research strategies like surveys, case studies, experiments and observational techniques, businesses can gain insight into consumer behavior, market trends, operational efficiency and strategic performance. The applications of business research span from product development and customer satisfaction analysis to risk assessment and organizational change, highlighting its role in evidence-based management and strategic planning. **Approaches and Applications of Business Research Methods** explores the multifaceted world of business research, addressing the critical steps, methodologies and technologies that underpin successful studies. It examines common problems faced by researchers such as selecting appropriate methodologies, dealing with data complexities and achieving publication success. This book covers topics such as data science, qualitative research and social sciences and is a useful resource for business owners, librarians, educators, academicians, researchers and data scientists. **Public Administration in Ethiopia**

Bacha Kebede Debela, Geert Bouckaert, Meheret Ayenew Warota, Dereje Terefe Gemechu, 2020-12-01 Building an effective, inclusive and accountable public administration has become a major point of attention for policymakers and academics in Ethiopia who want to realise sustainable development. This first handbook on Ethiopian Public Administration is written by Ethiopian academics and practitioner academics and builds on PhD studies and conference papers including studies presented at the meetings of the Ethiopian Public Administration Association (EPAA) established in 2016. Public Administration in Ethiopia presents a wide range of timely issues in four thematic parts: Governance, Human Resources, Performance and Quality, and Governance of Policies. Each of the individual chapters in this volume contributes in a different way to the overarching research questions: How can we describe and explain the contexts, the processes and the results of the post 1990 politico-administrative reforms in Ethiopia? And what are the implications for sustainable development? This book is essential for students, practitioners and theorists interested in public administration, public policy and sustainable development. Moreover, the volume is a valuable stepping stone for PA teaching and PA research in Ethiopia. **Research Anthology on**
